As well as obesity common results include shame, guilt and social distress while physical complications include the risk of fatigue, high blood pressure, diabetes and some cancers as well as a host of unpleasant symptoms. A psychological approach to overeating can be an effective form of treatment. But in this practical book Ruth Searle also examines the physical and physiological causes of the disorder which are often overlooked. The topics covered include: Understanding how the modern diet contributes to food addiction; The motivations for eating and drinking; Why a natural diet is best; Why diets don't work; Finding your triggers for overeating; Taking control again; Coping with eating and social situations; Your lifetime plan for keeping your weight under control. *Breaking Free of Compulsive Overeating and Bulimia* shows that there are simple, effective and enjoyable ways of overcoming compulsive eating and bulimia. Ruth Searle explores how sufferers can free themselves from addictive cravings, discover their social and psychological triggers and instead of dieting establish a lifetime plan of healthy eating and sensible exercise. **Living Binge-free** Jane Evans Latimer, 1988 Abstract This book is a personal guide to overcoming compulsive eating, bingeing and bulimia. It describes the author's recovery from her obsession with food and the self-destructive behavior associated with this eating disorder. The steps that she used to overcome this illness were: 1 recognizing the problem, 2 realizing that weight was not the problem, 3 becoming motivated to live binge free, 4 believing that she could live binge free, 5 developing a healthy attitude toward food, 6 changing her belief systems, 7 exploring her feelings, 8 loving and forgiving herself and others and 9 her spiritual awakening. Although the author overcame this illness without the use of therapy, she recommends the use of eating disorder clinics, therapists, counselors, Overeaters Anonymous and support groups. Also listed are organizations, suggested readings and workshops on dieting, eating disorders, body awareness, personal growth and meditation. **Breaking Free from Compulsive Eating** Green Roth, 1993 **No Ordinary Life** Sandy Knauer, 2000 Sandra Knauer offers hopefulness for healing in families suffering with abuse issues and treating sexual abuse in a multi-generational setting. **BOOK JACKET** **Moving Away from Diets** Karin Kratina, Nancy L.
