Breaking Through Brenda D. Smith, LeeAnn Morris, Deborah Deutsch Smith, 2012-01-02 The tenth edition of Breaking Through upholds the philosophy and purpose that undergirded previous editions to guide students to be independent readers who can understand, digest, and retain the material in college level texts. Like its predecessors, the tenth edition aims to motivate and equip students to achieve their academic and career goals while building background knowledge. The instructional methods emphasize strategic learning in individual and collaborative contexts. The tenth edition teaches effective reading techniques, provides extensive practice, provides independent partner and group activities, and engages students with reading selections on a variety of topics pertinent to the college community. **Breaking Through** Brenda D.
