folk s royal family Martin was in Steeleye Span Albion Dance band and the Watsons as well as holding down a successful solo career Norma was a member of the Watsons folk group Perhaps it was inevitable that Eliza would follow the family trade and become a folk musician She is no pale imitator though and can play just about any stringed instrument like a virtuoso though amazingly she underrates herself This self doubt seems at odds with the public persona of a brassy northern lass who has sometimes been described as difficult though not in our experience Her albums are exceptional slices of traditional and new folk but the stage is her natural home enthralling audiences with a blend of folk jazz rock and music hall 2011 saw her win two out of the three categories she was nominated for in the Radio 2 British Folk Awards to swell an already bulging trophy cabinet At 35 years of age it seems apt to chronicle the first half of an eventful life In addition to extensive interviews with Eliza herself the book contains interviews with her parents and other family members and also many of the people Eliza has worked with Billy Bragg comedian Stewart Lee Richard Thompson Vandyke Parkes and many more were fulsome in their praise of Eliza when interviewed She has toured America with Joan Baez Eliza has an extensive collection of photographs that people have taken of her and she has been exceptionally generous in letting us use them
