Modern Bridal Photography Techniques Brett Florens, 2013-06-01 Packed with outstanding images from real weddings this book is full of advice from one of today's top photographers in the wedding and portrait industry Brett Florens is a South African photographer who selected 75 of his favorite bridal portraits to explore in detail giving the reader an inside look at both the creative development of each concept before the shoot and the technical execution of the photographer's and bride's vision. Featuring brides with a variety of looks from classic to fashion forward and images shot both indoors and outside the book provides instruction on a wide range of techniques. Florens is a master of lighting so lighting diagrams are provided for each image making it easy for readers to adapt the setups to their own subjects and shooting style. Posing techniques are also covered in detail with tips for both refining the appearance of the bride and for communicating something about her personality through the pose selected. Florens is also well known for his fashion inspired poses and the aesthetic concepts that make them work effectively are explored. With tips for remaining true to personal style while working to satisfy the tastes and demands of a variety of brides it will be a valuable addition to the library of any professional photographer or advanced student of photography.

Master Posing Guide for Portrait Photographers J. D. Wacker, 2002 Photographers are guided through every aspect of posing beginning with the consultation and continuing with specific tips for posing children, high school seniors, wedding parties, families, events, teams, groups, and pets in this comprehensive manual. Maintaining that good posing is 80 percent mental and only 20 percent technical this guide stresses the importance of communication between photographer and subject to creating a portrait that not only captures the subject's personality but also makes the subject comfortable fostering repeat business.

Popular Photography, 1989-02 **The Bridal Guide to Wedding Photography** Craig Pardini (A.), Kathy Ireland-Pardini, 2013-12-31 As wedding photographers it is our job to make the photography piece of your wedding as easy as possible and give you breathtaking photographs that will document the most memorable event in your life. We are taking the time to compose this book *The Bridal Guide to Wedding Photography* to help make your wedding as smooth as possible and to give you advance tips to make your wedding day picturesque and to give you helpful posing techniques. He got on one knee and popped the question and you said YES or maybe it was the other way around. But anyway you are engaged and will soon be married. First and foremost Congratulations. At this point the ball is rolling your family and friends are told and everyone you know hears the exciting news it's time for a wedding. While many of your friends will only have to bring a special dress or suit out of the closet you have a lot of work ahead of you and there is a wedding to plan for. The photographer has one of the most important jobs that is involved with your wedding. After the wedding is over Precious memories fade in our minds uncontrollably sometimes we can't help it it happens to all of us. Kathy Ireland Pardini and only
