Spirituality Examine the role of spirituality in our new quantum understanding of reality This book seeks to reconcile the views of quantum physics the afterlife near death experiences NDE and consciousness into one framework that explains quantum entanglement non locality astral projection out of body experiences past life memories and ELDV This book speaks to readers who seek to understand and explore the intersection between quantum science and the human soul and wish to better comprehend consciousness from this new perspective Join me on a journey that may illuminate the path to understanding life death and the interwoven tapestry of science and soul

Where Did You Go? Christina Rasmussen, 2018-12-18 An exploration of the afterlife that combines spirituality with cutting edge science revealing our power to connect with our loved ones on the other side Where did you go This was the first question Christina Rasmussen asked after the death of her husband A young widow with two daughters Rasmussen would go on to become an esteemed grief educator who helped countless others rebuild their lives after loss Yet even as she learned to thrive again that first heartbreaking question persisted Even as she and her clients forged new paths and discovered new joy the same questions remained Are we capable of connecting to those who have passed on What really happens after we die As a professional grounded in science Christina was a skeptic who shied away from the conventional mystical supernatural and religious descriptions of the afterlife so she turned to what seemed provable to unravel the mystery of life beyond life physics What she found was beyond anything she could have expected not only is there life after death but we all have the ability to connect with loved ones who have passed on Sharing an inspiring message of hope optimism and love Where Did You Go is a transporting step by step guide to journeying to the other side from one of our most trusted voices on life after loss Bridging the gap between the metaphysical and the measurable it will change the way we grieve the way we live and how we define our potential in this life and the hereafter
