*Brielle and Me* Kerith Stull, 2014 Brian and Kerith had plans for their family That all changed six weeks into the pregnancy of their second child when Kerith got chicken pox Fears flooded their lives for months When she was eight months pregnant they received more bad news Their baby was also affected by a completely different virus cytomegalovirus CMV There was a forty percent chance their baby would not survive Brielle not only survived but thrived despite cerebral palsy caused by CMV and is now nearly 18 years old Brielle and Me is a mother s story of how they managed life with a daughter with cerebral palsy while navigating through developmental therapy doctors school and relationships with friends and family This is their journey of hope determination love and faith *To Be Different* Confidence Ogbonnaya, 2023-07-31

**Surviving Life** Melissa M. Carson, 2013-09-12 I have been blessed to share Cori s journey through life I have also discovered that life isn t short of resources it is about the opportunities that we have been given I have found that life begins at the end of your comfort zone and doing things that used to be outside the box challenges the opinions of one s single minded beliefs You would think that by surviving with limitations you re grounded or destined to only live life within your abilities and not beyond Do not allow your restrictions to be an excuse to ground you Do not accept that you can only live a certain life Cori has taught me to think of a life without boundaries Allow the sunshine to bring warmth upon your face and smile at those who are inexperienced or misguided to the fact that you are significant challenged but just as important Being impaired and nonverbal does not define your life It s the life that was given this is who you are and this is who we remain We hope that you will perceive our journey as encouragement and inspiration to live outside the box with no boundaries and to have faith in yourself and be certain of change I feel that life just falls into place since real life s destiny is not of our own choosing The true measure of a person s strength is how we continue to exist when that moment does arrive This is our journey we share with you to learn there are no limits to the life of experience a cerebral palsy child can have **Perfect** Patty Cutshall-Bailey, 2021-05-26 Perfect is a moving story about special needs parenting resiliency and navigating the unknown after a cerebral palsy diagnosis It is an eye opening journey of a mom diagnosed with a CMV infection during pregnancy and the complications it caused in the development of her unborn baby Follow one child s path from birth through the challenges of cerebral palsy to recognition of what independence looks like as a caregiver and as a child with disabilities This book was written in a rhythmic pattern for easy listening and reading targeted at children of varying developmental levels It will be a great addition to any special education program whether in a school or an out source therapy program The beautiful digital illustrations tell the story accurately and are specifically designed for the view of a special needs child It will spark emotion in the parent It will inspire caregivers to recognize their achievements in parenting and caregiving Parents and caregivers will feel empowered to love without fear of judgment despite having been given a diagnosis Shine Daryl Oliver, 2020 *Connected Community* Marilou Blundell, 2022-11-30 An uplifting memoir about the true meaning of

community Connected Community captures the strength of a community coming together for Marilou Blundell and her family Having travelled a similar path with her own disability Marilou shares the story of her daughter Emily s journey with cerebral palsy and hydrocephalus Along the way Emily finds her personality showcasing that everyone has their own unique ability and gift Through Marilou s stories about her family of four she provides insight on the challenges and the stigmas the highs and the lows of parenting a child with a disability With support from the community including the school church and various community programs they were able to turn their hard fought struggles into triumphant victories Emily Marilou and their family never had to look far their community was always right there to help walk them through when they needed it the most

**As Long As It's Healthy** Dawn Patterson,2015-10-08 James was born on October 22 2007 with congenital cytomegalovirus and was diagnosed with Spastic Quadriplegia Cerebral Palsy when he was one Journey with me through the highs and the lows of raising a fully dependent disabled child What I have written is going to be uncomfortably honest It is the thoughts that most of us keep hidden forever The things we would never dare give voice to Too many people are walking so alone Too many people feel trapped and don t know how to reach out Let me reach out to you Step into a small piece of our world and the hearts of so many families doing the very same thing And I dare you not to fall in love with James by the end Lets break down the walls that those with disabilities and those raising them feel trapped behind *Finding Happiness Against the Odds* Wesley Wee,2017
