

## The Lost City of Atlantis

A long time ago, a Greek philosopher named Plato told a story about a city called Atlantis. The founders of Atlantis were just good and just humans, and the good founders protected the city. Atlantis was a beautiful place filled with gold, silver, and other valuable metals, and it had many amazing animals. It was also a powerful naval empire.

Plato said he saw, after, the king of Atlantis. The people living there were called Atlantians. In the Atlantians' great temples, they became greatly. They created many laws like others and temples. They made the gods very strong. One night, they saw huge earthquakes, floods, and fires in Atlantis. This caused it to sink into the ocean, never to be seen again.

Many historians and archaeologists have tried to find Atlantis. Sometimes, they discover ancient cities or interesting artifacts. They see Atlantis that Atlantis was real. It makes for an amazing story!
