## Be Lifted Up:

*If I Be Lifted Up* Samuel M. Shoemaker, 2007-01-16 These sermons represent an attempt to approach the central meaning of the Cross along several confessedly incomplete avenues of approach I think of them as a little circle of converging but incompleting radii all pointing toward and therefore in a sense defining but none of them finally touching the real heart of the meaning of the Cross Were any of us able at last to do this we should unlock the mystery of life itself Even Dr Moberly in his great book *Atonement and Personality* begins by saying Atonement is a reality much too fundamental to human consciousness to be capable of any ready explanation Our explanations at their best are still always partial explanations It is always more than our understanding of it And so it is that one does not hesitate to add his own convictions to the many words that are written and said about the meaning of the Cross of Christ from the Foreword **Bibliotheca sacra** ,1873

**The Annotated Book of Mormon** Grant Hardy, 2023 Modelled after the Oxford line of annotated Bibles this is the first fully annotated academic edition of the Book of Mormon in its 200 year history This edition reformats the complete scriptural text in the manner of modern Bible translations making it more accessible and readable and the annotations and book introductions identify key themes and intertextual connections The editorial additions focus on the details of specific passages but also highlight broader perspectives that will illuminate the text as a whole It is an essential tool for anyone looking for an accurate comprehensive understanding of the Book of Mormon *The Latter-Day Saints' Millennial Star* ,1897 *The Strad* ,1915 The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of W.
