Behind The Gates Of Gomorrah:

Behind the Gates of Gomorrah Stephen Seager,2014-09-16 Seager was no stranger to locked psych wards when he accepted a job at California's Gorman State hospital known locally as Gomorrah but nothing could have prepared him for what he encountered when he stepped through its gates Unit C where Seager was assigned was reserved for the mass murderers serial killers and the real life Hannibal Lecters of the world This account of his rookie year blends memoir with a narrative science explaining both the aberrant mind and his own determination to remain in a job with a perilously steep learning curve

Behind the Gates of Gomorrah Stephen Seager,2018-01-02 An extraordinary eye opening look behind the razor wire into life inside the walls of one of the most notorious hospitals for the criminally insane a hellish world inhabited by mass murderers serial killers and other figures from our nightmares

High Yellow...But a Black Woman Forever More! Deborah Cofer,2006-09 Boy has this been one heck of a spiritual journey Little did I know that the path leading to the Kingdom of God would take me into and through the bowels of hell but I made it there and back All I can say is thank God for God His goodness grace and mercy From the Introduction to High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey It is said that to know one's self is the key to reaching new horizons and maximizing human potential and it's true But truly knowing one's self without knowing one's spiritual identity is akin to a person who is physically blind driving a car It's absolutely impossible In High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey author Deborah M Cofer highlights her efforts and sacrifices as she explores her inner self others and the world around her Every poem is its own unique story of bringing to the surface hashing out understanding and making peace with struggle in order to arrive at new heights in her evolution both as a woman and as a member of the human race Cofer's poetic accounts are both powerful and deeply profound

Golf Is from Satan T. Patterson,2001-01-22 Born of a seething near psychotic indifference to golf that was transformed during its writing into the nihilistic and passionate obsession of a student in a Parisian school for acrobats and clowns Golf is From Satan is the first book about golf that seeks and tells the truth about a game that longs to ascend to the heavens of public imagination on the singed wings of demons This book sings instructs will send the reader into convulsive fits of nervous laughter save or send the reader to hell then finally and suddenly yield up the hidden secrets of the universe And it's just a golf book that admittedly has little to do with golf itself

 Mariot, 2018-10-17 We should not base our beliefs on some emotional experience we had which we cannot really explain with
 any substance other than to attribute the experience to something we want to believe was spiritual or God inspired This
 choice belief and faith should not be an unexplainable gut feeling or some thought shrouded in a cosmic concept of God that
 is neither specific nor explainable Neither should we hide behind peer pressure that makes us feel guilty if we denied having
 any real belief in the existence of God at all None of these aspects are the basis to knowing anything let alone foundations of
 a faith The question then becomes how do we know what is true and what to believe on the ground where we live What are
 the facts and what is folklore How can we know for certain This writing is intended to discuss what is biblically spoken of
 behind the faith of what Christians believe It is not however about conspiracies in the church or an attempt to air any dirty
 laundry The book of Revelation was chosen as the principle text of this discourse because it is intermingled throughout
 Scripture like no other It provides seamless segues that will open up opportunities to address other related questions in
 Scripture as we examine what is behind the faith *Between the Gates* Benjamin Franklin Taylor, 1878 **Return to**

 friends lived just a couple of weeks before the Rapture and didn't know it neither did Satan The battle of ideas between the
 Spirit of truth and the spirit of falsehood raged to the limit Angels and demons influenced the characters through spiritual
 warfare to choose between right and wrong When the Rapture occurred some of the characters who walked the narrow path
 graduated to the heavenly scene While those who walked the wide path went to the underworld and awaited Judgment or
 stayed behind to face the Tribulation John and the Believers watched from the balcony of Heaven the fulfillment of the book
 of Revelation In a Tribulation seven years of a continuous Halloween on earth Satan tricked people and didn't offer any treats
 Meanwhile in Heaven the Believers went through the Jesus Rewards program a Cosmic battle a Wedding and a Supper

Finally the Great Tribulation ended when 666 ran into 777 at Armageddon The three groups then lived out their new environments to one of two final destinations determined by which side they took God or Satan Those who were like wheat ended up in Heaven Those who were like tares ended up in Hell Find out who goes where www.getbehindme.com Mike Yousif was born a Christian in Iraq He immigrated to the US thirty years ago when he was a teenager He received a B S in Electrical Engineering from Michigan in 1985 After he was born again the Holy Spirit guided him in researching the book of Revelation and inspired him to write this End times novel His Bible based novel reveals how to break down Satan s game plan to confuse and intimidate us as we live on Earth He lives with his wife and son in Northern California **Bible Story**
