Herbert C. Covey

Methamphetamine Hydrochloride Recipe:

Secrets of Methamphetamine Manufacture Fester (Uncle.), Fester, 2002 This title is out of print as of 03 02 2005 A new revised and updated edition **Secrets of Methamphetamine Manufacture 7th Edition** will be available as of 03 08 2005

Mad on Meth Benedict Collins, 2023-11-01 Why cook at home when you can order in Only 50 years ago pure methamphetamine was legally prescribed in New Zealand to anyone looking for a boost But it wasn't long before P was rebranded as the most dangerous and destructive drug in the world and New Zealanders cemented as among its biggest users With dry wit and biting insight journalist Benedict Collins takes us inside the evolution of meth in New Zealand From ram raids for pseudoephedrine to our own cooks and gangs breaking bad a visit to the Golden Triangle of meth production in South East Asia multimillion dollar busts and a moral panic that seeded a meth testing scandal All set the stage for unthinkable crimes and drug fuelled mania but also serviced a hidden world of white collar users and cemented New Zealand's reputation as among the biggest meth consumers in the world How did tough on crime become dumb on drugs And what does a solution to Pure addiction look like A terrific gripping read that challenges us to think differently about one of New Zealand's biggest problems Jarrod Gilbert bestselling author of *Patched The History of Gangs in New Zealand* Engrossing and written with flair Benedict Collins tells the story of how demonising drugs and drug users causes more harm than good The upside is there is a better way Professor Michael Baker co author of *Minimising the Harms from Methamphetamine NZ Drug Foundation* Helen Clark Foundation **Meth Revisited** United States. Congress. House. Committee on Oversight and Government Reform. Subcommittee on Health Care, District of Columbia, Census, and the National Archives, 2012

Forensic Investigation of Clandestine Laboratories Jr., Donnell R. Christian, 2003-07-28 Clandestine lab operators are not the mad scientists whose genius keeps them pent up in the laboratory contemplating elaborate formulas and mixing exotic chemicals In fact their equipment is usually simple their chemicals household products and their education basic Most of the time the elements at the scene are perfectly legal to sell and own *Forensic Investigation of Clandestine Laboratories* Donnell R. Christian, Jr., 2022-06-20 **Forensic Investigation of Clandestine Laboratories** Second Edition is fully updated to address all aspects of the forensic investigation of clandestine laboratories While the first edition focused on the domestic clandestine manufacture of contraband substances this edition expands the scope to more fully address the clandestine manufacture of explosives that have become a threat that is global in nature In clandestine laboratory operations equipment is often simple household chemical products are utilized and the education of the operators basic In fact most of the time these elements individually are perfectly legal to sell and possess However the combination of all these elements is what becomes the scene of illicit activity and a criminal operation In response to the increase in use of homemade explosive mixtures by terrorists both domestically and internationally the section clandestine manufacture of explosives is greatly enhanced Topics are presented in a manner which while detailed will not compromise the tactics techniques or procedures

utilized by law enforcement and military personnel in their ability to combat the clandestine manufacture of contraband substances and the battle against domestic and international terrorism

Key features

- Examines tell tale signs to look for in recognizing a clandestine lab
- Outlines how to safely process the site of a clandestine lab
- Details how to analyze collected evidence in the examination laboratory
- Provides guidelines as to what to derive from the physical evidence
- Offers specific tactics to effectively present the opinions associated with evidence that has been collected during the investigation in a written report
- military style briefing or to a jury in a legal proceeding

Forensic Investigation of Clandestine Laboratories Second Edition guides the reader through the process of recognizing these illegal manufacturing operations Then it examines the methods as to how to compile the volume of associated evidence into a package that can be presented in a court of law or to military commanders for decisive action It is an invaluable resource that will prove useful to chemistry lab technicians forensic investigators fire and first responder professionals military personnel police investigative agencies and narcotics units and lawyer trying cases involving clandestine labs

Roget's International Thesaurus, 7th Edition Barbara Ann Kipfer,2010-08-03

A classic reference book that has been used by millions all over the world Roget s International Thesaurus is the product of more than a century and a half of continual expansion reorganization and improvement Today this book is not only the most time tested and bestselling thesaurus ever but newly revised it is also the most up to date and comprehensive reflection of the English language as it is currently used The revolutionary achievement of Dr Peter Mark Roget s first edition in 1852 was the development of a brand new principle the arrangement of words and phrases according to their meanings Dr Roget s system brings together in one place all the terms associated with a single thought or concept it allows a wide ranging survey of language within a book of relatively modest size without the space consuming repetitions that so severely limit the scope of thesauruses arranged in a dictionary format with A to Z entries This brilliant organization makes Roget s International Thesaurus both the most efficient word finder and a cutting edge aid in stimulating thought organizing ideas and writing and speaking more clearly and effectively This revised and updated seventh edition features thousands of new words and phrases including the newest slang words and expressions that color and inform everyday language At the same time it retains all the

hallmarks that have made Roget's International Thesaurus the most popular word reference book next to the dictionary
