God Tells the Man Who Cares A. W. Tozer,2006-11-30 God

has nothing to say to the frivolous man A W Tozer Tozer states this bluntly in the book s beginning and he carries the sentiment through the last chapter In God Tells the Man Who Cares Tozer urges the believer to be vigilant in his pursuit of God s voice in his life He reminds us that stillness and meditation on the Spirit of God may be more spiritually profitable than the front of religion that is so prevalent in modern society Stillness is the quality that is so often lost in the business of today s world To be still and know that He is God is an old truth that is much quoted but rarely lived Tozer s convicting voice will bring you to a new and humbling place in your relationship with the Lord He invites you to lay your emotions at God s feet provides insight into the true nature of a servant s heart and decries many aspects of institutionalized Christianity warning against artificial religion with these words It is a disease of the soul and can only be healed by the Physician of souls
