Breeding in Captivity Stacy Bolt, 2013-08-29 Breeding in Captivity takes us on Stacy Bolt's journey to have a child at advanced maternal age first with the help of a Really Expensive fertility specialist and then ultimately through a local adoption agency But this isn't your typical serious memoir about struggling with infertility it's an entertaining witty read that perfectly balances humor with its more poignant moments Breeding in Captivity is about a quirky lovable couple that you root for through their fertility struggles and adoption adventures It's about the hundreds of Internet message boards where annoyingly perky women from Kappa Alpha Fruitcake refer to sex as babydancing and sprinkle virtual baby dust on each other It's about meeting birthmothers and deciding on open adoptions It's about being chosen and then having a birthmother change her mind But ultimately it's about hope how life can surprise you and laughing through the insanity **The Ultimate Guide for Gay Dads** Eric Rosswood, 2017-10-24 If You are Thinking of Becoming a Gay Dad or if You are Already a Gay Dad This Book is for You Are you ready to have kids More and more gay men are turning to adoption and surrogacy to start their own families An estimated two million American LGBTQ people would like to adopt and an estimated 65 000 adopted children are living with a gay parent In 2016 The Chicago Tribune reported that 10 to 20 percent of donor eggs went to gay men expanding their families via surrogacy and in many places the numbers were up 50 percent from the previous five years Gay parenting Having a kid is like coming out all over again on a daily basis especially if you have an infant Was coming out stressful for you It's about to get more intense and you will have a child watching your every move and listening to your every word If you stutter or pause they may pick up on your discomfort and could start to feel like something is wrong about their family unit The Ultimate Guide For Gay Dads is jam packed with parenting tips and advice to help you build confidence and become the awesome gay dad you were meant to be How Is This Parenting Guide Different From Others Unlike other parenting books that have whole chapters focusing on things specifically related to mothers such as how to get the perfect latch when breastfeeding this parenting book replaces those sections with things relevant to gay dads It covers topics like how to find LGBT friendly pediatricians how to find LGBT friendly schools how to childproof your home with style how to answer awkward and prying questions about your family from strangers examples for what two dad families can do on Mother's Day and much more The book also includes parenting tips and advice from pediatricians school educators lawyers and other same sex parents Top LGBT parenting expert Bestselling author Eric Rosswood covers every aspect of fatherhood for gay men in this essential guide to growing your family in the post DOMA era He is a major influencer on social media with over 100 000 followers on Twitter alone as well as thousands on other platforms Exploring LGBTQ issues Rosswood is an in demand authority and commentator on LGBTQ issues including civil rights parenting marriage and politics The author has been featured in major media including The Washington Post Cosmopolitan CBS News The Huffington Post Elite Daily Yahoo News AOL News NY Daily News IB Times and regional LGBTQ press **Great Expectation** Dan Roche, 2008-09 In Great

Expectation Dan Roche gives a man's perspective on what it means to start and expand a family relatively later in life. Through a series of diary entries in turns humorous angst ridden and full of hope and joy Roche describes his own thoughts and concerns during the nine months of his wife's pregnancy. With five years of parenting his irrepressible daughter Maeve under his belt Roche already forty five years old and his wife Maura face the prospect of another arrival and the myriad of emotions that come with a second child. From revelling in the joys of pregnancy such as Maura's delight at having cleavage and being able to eat whatever she desires to assuaging the parental anxieties of choosing the right obstetrician correcting the mistakes one made with the first child and sending children to college in the future to navigating the unforeseen experiencing the unexpected death of a parent and feeling trepidation toward the thought of having a son Roche records his emotions with unusual candidness and intimacy. Reflecting on day to day events and their significance in his family's life together Roche wonders what he is getting himself into and how much deeper he can immerse himself into parenting. Together he and his wife face the bittersweet intersections of death and new life menace and hopefulness. With sincerity and a mature wit Great Expectation stands as a wise recounting of nine months time with all of its chaos and charms and offers a fresh perspective for first time and veteran parents alike.
