**Times Two** Kristen Henderson, Sarah Ellis, 2011-04-05 TO EVERY GOOD LOVE STORY THERE IS A TWIST Times Two is about two women meeting falling madly in love and realizing that they are so crazy about each other that they want to have a family together The fact that they both get pregnant at the exact same time is where things start to get interesting Sarah Kate Ellis a high powered magazine executive and Kristen Henderson a laid back rock star decide it's time to start their family After determining that Sarah should get pregnant first while Kristen works on her band's new CD they head to a fertility doctor to start the process But after months of drug treatments miscarriages and heartbreak Kristen decides to start trying too That's when the utterly improbable happens Sarah and Kristen find out that they are both pregnant and are due three days apart Overjoyed by the news that they are both expecting Sarah and Kristen are also overwhelmed by all that lies ahead Both have successful demanding careers Both have large close knit families nearby including two strongly opinionated mothers who immediately want to be involved with everything And both are completely clueless about the challenges they're about to face They soon realize that none of their previous accomplishments has prepared them for the highs and lows of impending motherhood not Kristen's stint touring with The Rolling Stones nor Sarah's march up the corporate ladder in the world of women's magazines They go through everything first time parents to be experience but twice over They're producing double the hormones double the morning sickness double the cravings and have double the ups and downs From the start Sarah and Kristen think of their babies as twins each woman carrying half of a set But for two women who've always finished each other's sentences they suddenly find themselves on opposite ends of the mothers to be spectrum with different opinions on almost everything One wants a drug free birth while the other wants an epidural at the first sign of a contraction One is dying to know the baby's gender but the other refuses to find out until she hears the baby's first cry in the delivery room The difficulties of having two pregnant women under the same roof are multiplied by the legal and social obstacles of being a gay couple Told from Kristen and Sarah's insightful and hilarious she said she said perspective this touching modern family adventure will entertain enlighten and resonate with readers of all stripes

## **The Rise and Fall of Corporate**

**Social Responsibility** Douglas M. Eichar, 2017-05-25 Corporate social responsibility was one of the most consequential business trends of the twentieth century Having spent decades burnishing reputations as both great places to work and generous philanthropists large corporations suddenly abandoned their commitment to their communities and employees during the 1980s and 1990s indicated by declining job security health insurance and corporate giving Douglas M Eichar argues that for most of the twentieth century the benevolence of large corporations functioned to stave off government regulations and unions as corporations voluntarily adopted more progressive workplace practices or made philanthropic contributions Eichar contends that as governmental and union threats to managerial prerogatives withered toward the century's end so did corporate social responsibility Today with shareholder value as their beacon large corporations have

shred their social contract with their employees decimated unions avoided taxes and engaged in all manner of risky practices and corrupt politics This book is the first to cover the entire history of twentieth century corporate social responsibility It provides a valuable perspective from which to revisit the debate concerning the public purpose of large corporations It also offers new ideas that may transform the public debate about regulating larger corporations **Staff Notes** St. Louis Public Library,1916 Readers' Guide to Periodical Literature ,1922 **The Retrospect of Practical Medicine and Surgery** ,1892 **Shopping Center Directory** ,2002 **The Painter and Decorator** ,1920 **PAIS Bulletin** ,1915 The New York Times Index ,1926 *The Retrospect of Practical Medicine and Surgery, Being a Half-yearly Journal Containing a Retrospective View of Every Discovery and Practical Improvement in the Medical Sciences. ....
