**Henceforth a Crown** Henry T. Hudson,2009-02 Going beyond the common text in context approach to Paul s letter to Timothy Dr Henry T Hudson introduces pretext and subtext into his exposition He does this in order to bring home to the hearts of contemporary Christians what lay at the center of Paul s concern for the challenges that were before Timothy as he took over the leadership of the Church Paul was in prison in Rome and was awaiting execution The madman Nero was emperor There were many false prophets abroad and Christians everywhere were suffering persecution Paul even told Timothy that in the last days perilous times shall come How would he then counsel him He was comparatively speaking a young man He was also afflicted with frequent infirmities Pastor Hudson explores what Paul wrote and he does so trying to enter into the mind and heart of Paul He is of the opinion that what he wrote has practical bearing for Christians facing the challenges of life in the twentieth century

commentary offers detailed philological analysis of the majority of the words used in these two Pastoral Epistles. The Comment section guides readers through the complex theological, historical and practical issues facing the heirs of Paul in the Christian church. The issues treated in 1 and 2 Timothy have a remarkably modern ring to them. Addressing such contemporary topics as the qualifications for church leadership, the roles of women, the use of wealth, heterodoxy, worship and ethics, these Pauline letters remain highly relevant to church life today. This new volume not only offers the best of current biblical scholarship on Paul's letters to Timothy but also demonstrates the high standard of excellence marking the ECC series.

**An Exposition of Second Timothy** Phillip Harding, 1978    **1, 2 Timothy, Titus** Thomas D. Lea, Hayne P. Griffin, 1992 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text.

**An Exposition of Second Timothy** Edward Dennett, 1969    **1 and 2 Timothy, Titus** Walter L.

Liefeld, 2011-03-01 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary and cultural context; Bridging Contexts, a bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance, This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers and serious students of the Bible, giving them the tools, ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

**Interpretation of St Paul's Epistles to Timothy, Titus, and Philemon** R. C. H. Lenski, This item is part of Lenski's New Testament In Twenty Volumes. Pastors and students of the Bible who seek deep and detailed engagement with the text of the New Testament have long relied on R. C. H. Lenski's classic text, now available again. Even though its historical critical work has been surpassed, the strong narrative quality, accessibility and holy reverence for the Word of God, Moody Monthly of Lenski's work have allowed his commentary to continue as an excellent resource for serious study of the New Testament and sermon preparation.

**First and Second Timothy, Titus** George T. Montague, Mary Healy, 2008-11 A Catholic commentary on the letters to Timothy and Titus that presents sound exegesis followed by a reflection on the text's pastoral, theological and practical applications.

**1-2 Timothy & Titus** Philip H. Towner, 1994 Questions about the nature of Christian leadership and authority, attitudes toward wealth and materialism, proper responses to cults, the role of women in the church and even the validity of the institution of marriage are not new. Paul addressed these issues in personal letters to Timothy and Titus as leaders of first century congregations in Ephesus and Crete. What he had to say to them is as relevant to us as today's newspaper headlines. In this clear, pastorally oriented commentary, readers will find helpful background material on

authorship date and purpose as well as an overview of theological themes in the Pastoral Epistles. The introductory material is followed by passage by passage explanation of the meaning these letters had for their first century hearers in order to pave the way for understanding their significance for readers today. Students, pastors, Bible teachers and everyone who wants to understand the message of the Pastoral Epistles for the church will benefit from this excellent resource.

### **2 Timothy and Titus**

Aída Besançon Spencer, 2014-05-16 A thorough and insightful commentary on Paul's letter to his coworker Timothy which the apostle wrote before and during Nero's persecution. Spencer carefully examines each part of the letter and relates it to the overall flow of the argument and in light of the larger biblical, historical, social and cultural contexts. How Paul's writing related to the ancient communities is highlighted in the light of original data gleaned from her explorations on location in Crete, Ephesus and Rome. In addition, Paul's rhetorical and ministry strategies especially as they relate to women and their role in the church are explored. Throughout, Spencer presents an in-depth exegesis in a readable format enhanced by forty years of ministry.

**1 and 2 Timothy, Titus** Abraham Kuruvilla, 2021-04-12 1 and 2 Timothy, Titus: A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of these epistles to craft effective sermons. This commentary unpacks the crucial link between Scripture and application, the theology of each preaching text pericope. The three letters collectively the Pastoral Epistles are divided into eighteen pericopes and what the author is doing with what he is saying in each is explored. The overall theological trajectory of the Pastoral Epistles concerns the promotion of God's economy by the community of God's people. The specific theological thrust of individual preaching units is captured in this commentary, making possible a sequential homiletical movement through each pericope of the three epistles. While the primary goal of the commentary is to take the preacher from text to theology, it also provides two sermon outlines for each of the eighteen preaching units of the Pastoral Epistles. The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through 1 and 2 Timothy and Titus with an emphasis on application.

**Second Timothy** Paula Sewell, 2023-03-06 If there is ever a time when we need to read, study and obey the Word of God, it is now. The tide of lawlessness spreading like wildfire can be tempered when Christians know His Word and can accurately apply it to improve their lives and those around them. As the seismic tremors of deception attempt to penetrate the church, those who are rooted and grounded in God's Word can become effective witnesses in combating this evil end time occurrence. Paul, the apostle writing to his protege Timothy, warned of the events of the last days. He wrote, "But know this that in the last days perilous times will come." 2 Timothy 3:1. He noted nineteen vices that would grip society and become evident as people's hearts deteriorate and become increasingly wicked. Notably, these vices, fostered by deception and indifference to God and His Word, bring Paul's prophetic writing to reality. This commentary provides an in-depth study of the book of 2 Timothy. It was written to encourage believers to study to shew themselves approved unto God, rightly divide the word of truth, that will enable them to avoid the pitfalls of deception.
