**The Marriage Clinic** John M. Gottman, 2016-12-19 The Marriage Clinic presents a complete marital therapy program based on John Gottman's much heralded research on marital success and failure Here one will find not only a wide range of succinct and useful assessment procedures but also a highly specific research based and modularized treatment program In addition there are dozens of questionnaires and interview protocols to be used in both assessment and intervention In prospective long term research with over 700 couples Gottman has discovered certain factors that distinguish happy stable couples from both unstable ultimately divorcing couples and stable but unhappy couples These findings which are explained here in understandable nontechnical language form the basis of his Sound Marital House theory of marriage which guides the new therapy This therapy has two goals changing the marital friendship and teaching couples to regulate conflict Despite the high aims of much marital therapy Gottman found that most marital conflicts involve fundamentally unresolvable relationship issues called perpetual problems He shows how therapists can help spouses move from gridlock to dialogue on these issues Solvable problems can be resolved more easily when the couple has a strong marital friendship He gives therapists the tools to teach spouses five fundamental skills to develop and strengthen their friendship softened start up accepting influence repair and de escalation compromise and physiological soothing Gottman compares his clinic to a restaurant where clients are offered a menu of treatment formats from psychoeducation for specific issues to extended therapy to repair a badly damaged marital friendship Therapists too can choose among the questionnaires and strategies for those that fit the needs of particular couples Whatever their choice they will find that their practice is greatly enriched by the scientifically based offerings of The Marriage Clinic *Couples Therapy* Linda Berg

Cross, 2013-12-16 Harness the power of an integrative approach to couples counseling Why do marriages fail The behaviorist or cognitive therapist explains that unhappy couples have self defeating ways of thinking about their spouses and themselves The sociologically oriented counselor points to the impact of social trends and dramatic changes in child rearing and social expectations A therapist oriented toward psychodynamics or systems theory sees the destructive patterns of childhood replayed in the marriage with spouses taking on rigid roles The pastoral or humanist counselor believes that partners who cannot experience self fulfillment through commitment and trust will feel less love and grow more and more disconnected Couples Therapy Second Edition brings together all these points of view to make a unified whole This integrative approach proposes a new model of successful marriage based on four cornerstones resiliency social support adaptability and self fulfillment Weaving together theory and research Couples Therapy Second Edition explores how common issues can lead to trouble in relationships It suggests specific interventions so therapists can teach clients to deal with such problem areas as

anger management domestic violence depression anxiety parenting conflicts in laws work pressures and sexual dissatisfaction Couples Therapy Second Edition offers a sound theoretical framework as well as practical ideas Through clinical vignettes and up to date research it makes the common conflicts and developmental stages of marriage so understandable that it can be profitably read by clients as well as counselors Its invaluable resources for the couples therapist include end of chapter professional development questions therapeutic exercises answers to frequently asked professional and ethical questions intervention suggestions for the therapist self assessment questionnaires book and video recommendations on each chapter topic Written in clear readable prose Couples Therapy Second Edition offers practical help for the experienced clinician as well as theoretical overviews for the counselor in training

### **The 6 Husbands Every Wife Should Have**

Dr. Steven Craig, 2012-02-07 Clinical psychologist and radio host Dr Steven Craig offers a revolutionary book that helps couples identify the six different people they need to become over the course of their relationship in order to grow together rather than apart Throughout his career as a marriage counselor Dr Craig has identified a common thread in strained relationships the belief that change should be avoided at all costs Determined to destroy this harmful myth Dr Craig presents a concept as straightforward as it is original Marriages don t fail when people change they fail when people don t change In The 6 Husbands Every Wife Should Have Dr Craig divides the typical marriage into six stages outlining both the common misconceptions and opportunities for growth at each level From the earliest stage of becoming the right person for your spouse in the new marriage to thinking and acting like a team to adjusting to the dynamics of parenthood to caring for older children and elderly parents to adapting to the empty nest and then to growing into the golden years and becoming a dependable companion Dr Craig offers new communication tools rules for intimacy checklists and assessments designed to inspire change The 6 Husbands Every Wife Should Have will revitalize readers notions of marriage and turn it into an ongoing activity that husband and wife can conquer actively together
