Envy Of The Gods Alexander The Greats Ill Fated Journey Across Asia:

Envy of the Gods John Prevas,2005-11-29 By the time Alexander the Great was twenty six he had conquered the world s mightiest empire Persia He was the envy of every man But Alexander had a higher aspiration to be the envy of the gods And so Alexander embarked on a long campaign of conquest across Asia He marched his army through the mountains of Afghanistan to the Indian subcontinent But as he pushed forward in his wild pursuit of glory and immortality he grew increasingly unpredictable sporadically violent and megalomaniacal In the end only seven years after he had conquered Persia Alexander the Great was defeated not by any external enemy but by himself unable to control his passions Writer and intrepid explorer John Prevas informs his absorbing Raleigh News Observer narrative through a personal retracing of much of Alexander s route through what is now Iran Afghanistan and Pakistan The author s research and travels bring brilliantly to life this riveting story of Alexander s decline and fall in the land where he sought his greatest glory *Alexander the Great*

Krzysztof Nawotka,2009-12-14 This book is possibly the most comprehensive biography of Alexander in print It presents his story strictly on the basis of ancient sources making use as much as possible of contemporary Greek inscriptions coins and of non western evidence Babylonian tablets Egyptian papyri Bactrian parchments The latter in particular change our understanding of how the Achaemenid state was run and how the Macedonian conquests were perceived from the Oriental perspective The book s protagonist was the first in Western Civilization to be hailed Great The specific aura and charisma of this young ruler the scale of his conquests and the exotic landscapes and peoples encountered during a tireless trek of over 35 000 km spanning three continents is what the broader public have always found particularly appealing The author travelled extensively in the footsteps of Alexander and made use of other geographical accounts to elucidate the spatial perspective of his conquests Space and politics define the dynamics of his story The author presents Alexander as a component of the historical processes in his epoch and considers his influence on developments in Greece Macedonia the Persian Empire and neighbouring countries The book tries to steer clear of both idealizing Alexander the Great typical of some earlier modern biographies and of deconstructing his personality which mars the minimalist approach of today s scholarship

Greek and Macedonian Land Battles of the 4th Century B.C. Fred Eugene Ray, Jr.,2012-09-28 With its mixture of famous battles and storied commanders warfare in 4th century B C Greece has long held a fascination for military enthusiasts and the general public alike Histories biographies and popular culture have turned the exploits of noted generals like Xenophon and Iphicrates of Athens Epaminondas of Thebes and the father son team of Philip II and Alexander the Great of Macedonia into the stuff of legend Drawing from ancient accounts along with suitable analogs this detailed work offers meticulous reconstructions of 187 of the 4th century s most significant land engagements considering tactical patterns evolving trends and the lasting impact of the era s most influential military minds By separating myth from reality these recreations provide incredible insight into past ways of war that continue to influence the course of combat today

Encyclopedia of Time H. James Birx, 2009-01-13 Surveying the major facts concepts theories and speculations that infuse our present comprehension of time the Encyclopedia of Time Science Philosophy Theology and Culture explores the contributions of scientists philosophers theologians and creative artists from ancient times to the present By drawing together into one collection ideas from scholars around the globe and in a wide range of disciplines this Encyclopedia will provide readers with a greater understanding of and appreciation for the elusive phenomenon experienced as time Features Surveys historical thought about time including those that emerged in ancient Greece early Christianity the Italian Renaissance the Age of Enlightenment and other periods Covers the original and lasting insights of evolutionary biologist Charles Darwin physicist Albert Einstein philosopher Alfred North Whitehead and theologian Pierre Teilhard de Chardin Discusses the significance of time in the writings of Isaac Asimov Samuel Taylor Coleridge Fyodor M Dostoevsky Francesco Petrarch and numerous other authors Includes the contributions of naturalists philosophers physicists theologians astronomers anthropologists geologists paleontologists and psychologists Includes artists portrayals of the fluidity of time including painter Salvador Dali's *The Persistence of Memory* and *The Discovery of America* by Christopher Columbus and writers Gustave Flaubert's *The Temptation of Saint Anthony* and Henryk Sienkiewicz's *Quo Vadis* Provides a truly interdisciplinary approach with discussions of Aztec Buddhist Christian Egyptian Ethiopian Islamic Hindu Navajo and many other cultures conceptions of time

The Journal of Military History, 2008-04 **Ancient West & East**, 2008 **Wanat** Combat Studies Institute (U.S.), 2010 On 13 July 2008 nine American soldiers perished while fighting a pitched battle in the village of Wanat in Afghanistan's Waygal Valley On that day the men of Company C 2d Battalion 503d Parachute Infantry Regiment endured four hours of intense close quarters combat and mounting casualties The contingent of 49 United States and 24 Afghan National Army Soldiers valiantly defended their small outpost against a coordinated attack by a determined insurgent force

armed with rocket propelled grenades and automatic weapons Despite the initial advantage of tactical surprise and numerical superiority it was the insurgents who ultimately broke contact and withdrew from Combat Outpost Kahler Army historians recognized the need to better understand the Battle of Wanat and ensure those who followed learned from the experiences of the courageous Soldiers who defended their outpost with such tenacity As initial reports from the battle were received the Combat Studies Institute at Fort Leavenworth Kansas began to prepare a historical analysis of the circumstances of the Battle of Wanat launching an exhaustive research effort that produced a comprehensive and compelling example of contemporary history This study offers an objective narrative of the events surrounding the Battle of Wanat It does not seek to draw final conclusions or to second guess decisions made before or during the heat of battle Rather it is an implement of learning allowing the reader to see the events of that day through the eyes of the leaders and Soldiers of Task Force Rock It is meant to provide context to the chaos and complexity of modern conflict and to help the reader better understand and appreciate the nature of operations in an era of persistent conflict Finally this study serves to honor and preserve the memories of the nine brave men who gave their lives at Combat Outpost Kahler
