Activating God's Power is a must read for anyone who wants to pray with strength and purpose The faith produced from this book will lead to results not just for ourselves but for the lives around us *Paul and His Life-Transforming Theology* Roger Mohrlang, 2013-02-12 Here is a concise inviting introduction to the greatest of the early Christian missionaries the Apostle Paul his life his letters his thinking and the life transforming gospel he proclaimed Readers will find this book academically stimulating theologically rich and personally challenging It highlights the ways Paul's life and thinking differ from and challenge the life and thinking of Christians today Written in nontechnical language for both Christian students and general Christian readers this book the result of a lifetime of studying and teaching Paul's letters will be helpful to all students and teachers of the Bible who want a deeper understanding of Paul his theology and the implications of his powerful letters for Christians today **The Divine Heartset** Crispin Fletcher-Louis, 2023-11-21 The fruit of a decade's research this volume offers a new interpretation of the dense Christological narrative in Philippians 2:6-11 taking inspiration from recent advances in our understanding of the letter's Greek and Roman setting and from insights made possible by recently created linguistic databases such as TLG and PHI The passage's praise of Christ engages the language of Hellenistic ruler cults Platonic metaphysics and moral philosophy popular Homeric beliefs about the gods and Greek love eros to articulate a scripturally grounded theology in which God is revealed to be one in two persons God the Father and LORD Jesus Christ The volume also explores hitherto unseen ways in which the central Christ Hymn is tightly connected to the rest of Paul's argument The hymn presents Christ as an epitome of the ideals of Greek and Roman virtue to support Paul's summoning his readers to a life of praiseworthy and exemplary civic conduct in 1:27 New or recently proposed translations are advanced for numerous words and phrases in e.g. 1:8 11:27 2:3 4:6 11:3 2:4 and a new non Stendahl approach to Paul's boasting in 3:4 6 that is Christological rather than biographical is put forward Growing in Holiness through the Psalms David J. McKinley, 2023-04-05 In a confused world with moral decay we need clear direction for godly living While the mention of holiness is not commonly heard these days the Psalms call us to cultivate holy lives in today's society The psalmists not only teach us how to grow in holiness but they draw us into their own rich experiences The author explores the Psalms to give us a perspective on the nature of holiness and the many important ways we can grow in holiness The Psalter serves as an invaluable guide for our spiritual formation as followers of Jesus Christ *Enabling Fidelity to God* Jason A. Whitlark, 2008 The primary focus of this book is to demonstrate how Hebrews represents in view of its historical and religious context human fidelity to God Thus the basic thesis is twofold First with regard to the divine human relationship in the ancient Mediterranean world the belief in the reciprocity rationale was one primary dynamic for establishing fidelity to a relationship and has been applied by some scholars such as David deSilva to Hebrews as the way to understand its strategy for creating perseverance A major problem with the application of this dynamic is that a common optimistic anthropological assumption is associated with the various reciprocity systems in the ancient world both Jewish and pagan This assumption is required if

reciprocity is to be effective for establishing ongoing fidelity Second there was however a middle Judaic stream that can be traced from the period of the exile which held to a pessimistic anthropology This anthropological assumption crippled the perceived success of reciprocity to secure fidelity Thus the solution to God s people s inability to remain faithful was an act of God that transformed the human condition and enabled faithfulness to the relationship The argument of this book is that Hebrews with its emphasis upon the inauguration of the new covenant by Jesus high priestly ministry belongs to this latter stream of thought in understanding how fidelity is secured between God and his people Hebrews thus implicitly rejects the rationale of reciprocity for fidelity The implications of this offers a fresh perspective on the soteriology of Hebrews Words of Truth. [Expositions of Scripture.] Words,1871 **Dictionary of Paul and His Letters** InterVarsity Press,2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume s breadth and usefulness for scholars pastors and students today **The Moral Vision of the New Testament** Richard Hays,1996-08-30 A leading expert in New Testament ethics discovers in the biblical witness a unified ethical vision centered in the themes of community cross and new creation that has profound relevance in today s world Richard Hays shows how the New Testament provides moral guidance on the most troubling ethical issues of our time including violence divorce homosexuality and abortion Hays passionately written book with its bold agenda has neither peer nor rival Leander E Keck Winkley Professor of Biblical Theology Yale Divinity School There are few people I would rather read for the actual exposition of the New Testament than Richard Hays This book is filled with wonderful readings that not only inform us about how to think better about the so called problem of the relation between the New Testament and ethics but even more speak of how our lives should be lived in the light of Christ s cross Stanley Hauerwas Gilbert T Rowe Professor of Theological Studies Duke University Divinity School Richard Hays has succeeded brilliantly in bringing New Testament studies contemporary theology and ethics into a deeply reflective conversation Hays point is that the New Testament norms the Christian life and with the help of imagination and metaphor can address the moral conflicts of our time Ellen T Charry Perkins School of Theology Southern Methodist University This book isn t just a breath of fresh air It s a hurricane blowing away the fog of half understood pseudo morality and fashionable compromise and revealing instead the early Christian vision of true humanness and genuine holiness If this isn t a book for our time I don t know what is N T Wright author of The New Testament and the People of God The Fookien Times Philippines Yearbook ,1986 **The science of missions** James Gall,1878 **The Moral Vision of the New Testament** Richard B.
