the need to know in this profession. You cannot successfully answer questions without having full comprehension and knowledge. Unlike other books that only provide question and answer formats, this guide goes beyond the basic preparation which is necessary for passing the required exams. This book delivers to Aircraft Dispatchers a better understanding of the dispatcher's role. The information is up to date and brings you the latest and greatest available study materials which are parts of an actual FAA oral exam. Route planning regulations and aviation weather are all part of the dispatcher's responsibilities and authorities and are covered in comprehensive detail.
