Manual of Coaching , **A Manual of Coaching** Fairman Rogers,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1900 edition Excerpt have a bar across them to keep the lead reins and swing reins apart Either a pole or a chain may be used to connect the lead horses to the coach The pole has at its hind end an eye which goes on the main pole head hook under the lead bars and at its front end a head or crab of the usual form with bars to which the leaders traces are attached This pole should be much lighter than the main pole since there is no strain upon it except the direct pull and the bars also should be somewhat lighter half the weight of the pole and all the weight of the bars being supported by the necks of the swing horses An alternative similar arrangement consists of a light chain covered with leather or a rope like that on a cock horse harness see Plate XXIV instead of a pole with lead bars It should be suspended by a chain or straps from the collars of the swingpair and the leaders when at rest must be kept well forward to prevent the bars from hanging down It is also well to have a strap from one tugbuckle of the swing horses to the other on which this chain may rest

The swing pole or chain and the bars may be dispensed with altogether by using for the leaders long traces going to the tug buckles of the swingpair as shown in Plate VI Post1ng In posting the near horse of a pair is ridden by a postilion who leads the off horse The In a plate published by Euw Okme Bond St London 1816 entitled Paris Diligence a postilion on the near wheeler is driving three leaders off side harness is the same as that of a pair with the exception of the reins but the near side harness has a saddle like that shown in the plate of the cock horse harness The bridle collar and traces are as usual except that a long trace without a Manual do monitor ,1989
