Integrating text with haunting and exquisite imagery, *Unearthing* excavates a territory at the margins of a city of reality and of human imagination. Starting life in Iain Sinclair's seminal anthology *LONDON: City of Disappearances*, this dazzling and hypnotic piece has evolved through a series of live performances and acclaimed recordings, culminating in this breathtaking full-color volume. A limited edition oversized hardcover that projects the intensity and sense of scope that Moore and Jenkins' work fully deserves.

*Alan Moore, Out from the Underground* Maggie Gray, 2017-11-01 This book explores Alan Moore's career as a cartoonist as shaped by his transdisciplinary practice as a poet, illustrator, musician and playwright, as well as his involvement in the Northampton Arts Lab and the hippie counterculture in which it took place. It traces Moore's trajectory out from the underground comic scene of the 1970s and into a commercial music press rocked by the arrival of punk. In doing so, it uncovers how performance has shaped Moore's approach to comics and their political potential. Drawing on the work of Bertolt Brecht, who similarly fused political dissent with experimental popular art, this book considers what
