## Acheron Free:

*The Siren's Storm* Sara Reynolds, 2023-03-04 After being killed and resurrected in New Orleans Calliope was enjoying the comfort of living in LA with her boyfriend Asmodeus when a flock of harpies ruined her peace. They showed up at her friend's nightclub Tartarus and began slaughtering both Supernaturals and humans on Halloween. A warning had come for Calliope earlier in the night about a shapeshifter. She had no idea who they were or why they wanted her dead but she knew that she needed to leave town. Running back to New Orleans wasn't exactly how the siren wanted to spend her autumn but it was her only hope of finding answers. With a shapeshifter on Calliope's tail it was alarmingly clear that the villainous harpies attacked the club looking for Calliope on the shifter's orders. Will she find answers about the shapeshifter's identity or find out why they want her dead? Or will it be too late?

*Night Embrace* Sherrilyn Kenyon, 2010-04-01 Dear Reader Life is great for me I have my chicory coffee my warm beignets and my best friend on the cell phone. Once the sun goes down I am the baddest thing prowling the night I command the elements and I know no fear. For centuries I've protected the innocent and watched over the mankind making sure they are safe in a world where nothing is ever certain. All I want in return is a hot babe in a red dress who wants nothing more from me than one night. Instead I get a runaway Mardi Gras float that tries to turn me into roadkill and a beautiful woman who saves my life but can't remember where she put my pants. Flamboyant and extravagant Sunshine Runningwolf should be the perfect woman for me. She wants nothing past tonight no ties no long term commitments. But every time I look at her I start yearning for dreams that I buried centuries ago. With her unconventional ways and ability to baffle me Sunshine is the one person I find myself needing. But for me to love her would mean her death. I am cursed never to know peace or happiness not so long as my enemy waits in the night to destroy us both.

**Styxx**

Sherrilyn Kenyon, 2013-09-03 Sherrilyn Kenyon's most highly anticipated novel in the New York Times bestselling Dark Hunter series since Acheron is here the unforgettable story of Styxx Acheron's twin brother and one of the most powerful beings on earth. Just when you thought doomsday was over Centuries ago Acheron saved the human race by imprisoning an ancient evil bent on absolute destruction. Now that evil has been unleashed and it is out for revenge. As the twin to Acheron Styxx hasn't always been on his brother's side. They've spent more centuries going at each other's throats than protecting their backs. Now Styxx has a chance to prove his loyalty to his brother but only if he's willing to trade his life and future for Acheron's. The Atlantean goddess of Wrath and Misery Bethany was born to right wrongs. But it was never a task she relished. Until now. She owes Acheron a debt that she vows to repay no matter what it takes. He will join their fellow gods in hell and nothing is going to stop her. But things are never what they seem and Acheron is no longer the last of his line. Styxx and Acheron must put aside their past and learn to trust each other or more will suffer. Yet it's hard to risk your own life for someone who once tried to take yours even when it's your own twin and when loyalties are skewed and no one can be trusted not even yourself. How do you find a way back from the darkness that wants to consume the entire world? One that wants to
