of employment However organizations operate for a reason and they too have agendas and needs It is how the two come together that determines the capacity for good human relations and optimum productivity Employee Well being Support is an edited collection of expert contributions that explores all key issues in this increasingly critical area

Strategy and

Training Philippe Korda,2012-12-04 Social learning using technologies such as Twitter and video blogs is revolutionizing the way organizational training is undertaken At the same time the age old communication technique of storytelling is being reinvented as a way to roll out strategic programs to large multicultural groups on a global scale But how can you develop your team s expertise to ensure strategic initiatives get the best results This book provides insight into systematic coaching when cascading a strategy throughout your organization and explains the benefits of reinforcing strengths identifying weaknesses and correcting failures to build competitive advantage It goes beyond merely explaining training strategy it provides details on how it relates to skills training and how you can leverage this to implement company goals Drawing on real life client examples and the inspirational stories of highly successful individuals this book highlights approaches that have transformed organizations and re invented training It dispels myths that exist around traditional training paradigms and brings to light the effectiveness of new methods and approaches It also addresses the risk of unlearning post training and issues that arise with maintaining performance evaluation and measuring tangible progress and provides key questions that are relevant at project and company level plus practical checklists and summaries complementing each chapter of the book

Achieving Excellence in Preschool Literacy Instruction Laura M. Justice,Carol Vukelich,2008 High quality preschool programs are essential to improving children s outcomes in reading achievement and leveling language and literacy disparities among students from diverse backgrounds Grounded in state of the art research evidence this practice oriented book demonstrates how preschool professionals can create evaluate and sustain exemplary programs Chapters from leading authorities cover coaching assessment and differentiation as well as explicit strategies for teaching English language learners and helping at risk readers Discussion questions and suggested activities for professional development are included as are reproducible assessment forms and planning tools for use in the classroom
