**Acing Civil Procedure** A. Benjamin Spencer, 2005 Moving beyond the outline format used by most students this book uses a checklist format to lead students through the questions they need to ask and answer to fully analyze the legal issues they are trying to resolve It assembles the different issues and presents a clear guide to the procedural analysis that students can draw upon when writing their exams Other study aids provide sample problems but this book offers a systematic approach to problem solving Publisher's website **ACING CIVIL PROCEDURE.** A.
