The Theatre of Truth , 2008-02-26 Doctoral Dissertation University of California Berkeley 1995ABSTRACT Jacob Moreno MD 1889 1974 is known today as the founder of psychodrama which he defined as the science which explores the truth by dramatic methods This dissertation investigates Moreno primarily as a theatre artist It starts with a philosophical analysis of the concepts of acting improvisation and spontaneity and then consolidates the elements of Moreno s theory of the nature and function of theatre which are dispersed throughout his writings and have never been thoroughly collected in one place It also examines how Moreno discovered the healing power of drama while he directed his Theatre of Spontaneity in Vienna 1920s and in New York 1930s The appendix contains Moreno s earliest theatrical text *The Godhead as Comedian* translated for the first time in its entirety from the 1919 German edition 325 pages including 19 p of German and English references chronology www.scheiffele.com

Healing World Trauma with the Therapeutic Spiral Model Kate Hudgins, Adam Blatner, Francesca Toscani, 2013 This book provides an accessible introduction to the Therapeutic Spiral Model in practice describing how it works its relationship with classical psychodrama neurobiology experiential psychotherapy and clinical psychology how it differs from other experiential methods and how it has been used with diverse populations and in different cultures

Focus on Psychodrama Peter Felix Kellermann, 1992 This textbook is for all students and practioners of psychodrama and drama and professionals seeking to extend their knowledge of creative arts therapies The author provides a comprehensive overview of the theory and practice of psychodrama presenting a systematic analysis of its essential therapeutic ingredients He specifies the core issues involved discussing the interpersonal the emotional the imaginary the behavioural and the cognitive elements The book examines the professional roles assumed by psychodramatists and establishes the skills required in each role Explored is the use of the concept of acting out both in psychodrama and psychoanalysis and the author also discusses the problem of resistance and the importance of the concept and technique of closure in each psychodrama A processing checklist is added at the end of

the book as a systematic aid in evaluating the professional skills of the psychodramatist The chapters are both pragmatic and solidly grounded in theory thereby providing students with an effective in depth alternative to the traditional verbal therapies
