## **Activism That Makes Sense Congregations And Community Organization:**

**Activism that Makes Sense** Gregory F. Pierce,1991     **A Theology of Community Organizing** Chris Shannahan,2013-11-12 The rising importance of community organizing in the US and more recently in Britain has coincided with the developing significance of social movements and identity politics debates about citizenship social capital civil society and religion in the public sphere At a time when participation in formal political process and membership of faith groups have both declined dramatically community organizing has provided a new opportunity for small community groups marginalized urban communities and people of faith to engage in effective political action through the developments of inter faith and cross cultural coalitions of groups In spite of its renewed popularity little critical attention has been paid to community organizing This book places community organizing within debates about the role of religion in the public sphere and the rise of public theology in recent years The book explores the history methodology and achievements of community organizing engaging in a series of conversations with key community organizers in the US and Britain This volume breaks new ground by beginning to articulate a cross cultural and inter faith Theology for Community Organizing that arises from fresh readings of Liberation Theology     **Transitions** David N. Mosser,2011-04-04 Preacher and teacher David Mosser offers practical and spiritual guidance for pastors struggling to manage and respond to changes in the economy changes in their neighborhoods changes in their denominations changes in the congregation changes in culture and the life changes present in every parishioner s life Wise words from authors such as Alyce McKenzie David Buttrick Joanna Adams and Thomas Long all contribute to this most timely and helpful book     **The Bush Still Burns** Terry Allen Moe,2021 Terry Allen Moe came as pastor to Redeemer Lutheran a traditional working class congregation in a poorer mixed race neighborhood in Portland Oregon in 1981 Five US presidents six Portland mayors and four Lutheran bishops later Redeemer had been transformed into an innovative spiritual not religious member based nonprofit called Leaven Community and a new ELCA congregation Salt and Light Lutheran nested in the midst of Leaven This is the story of how an intertwining of spirituality and organizing transformed a pastor and congregation Using the metaphor of paying attention to the voice of God in the burning bush Exodus 3 Moe describes how he and the congregation turned to the burning bush of deepened spirituality coupled with hard nosed organizing embodied in the IAF network The process was not easy or smooth but the pastor and people changed and together they impacted the larger Portland community This is the story of listening discerning acting and evaluating to address the upstream causes of pressing issues and of identifying and lifting up the public dimensions of people s pain This is the story of prayer circles that addressed societal challenges contributing to people s private struggles This is the story of unearthing and confronting the impacts of political decisions overcoming the mentality that church and politics don t mix Sunday worship shifted to include the stories of addiction job loss rising energy costs and ecological grieving from the members and their neighbors This book demonstrates how the power of spiritual discernment and

community organizing can transform a community of faith It s timely inspiration for congregations struggling to find their way out of decline and the immobilization caused by fear and lack of creative leadership *Bridging Regional Growth and Community Empowerment* Michael A. Stegman,William J. Benfanti,John P. Ross,1996-12 Contents ideas matter reflections on the new regionalism central cities loss of power in state politics inside out regional networks and industrial adaptation in Silicon Valley and Route 128 specialization vs diversity in local economies the implications for innovative private sector behavior crime and community continuities contradictions and complexities community empowerment strategies the limits and potential of community organizing in urban neighborhoods and comprehensive neighborhood based initiatives Charts and tables **Political and Civic Leadership** Richard A.
