**16 Children and Baby Crochet Hat Patterns** Laura Eccleston, **Farm, Stock and Home**, 1895 **American Agriculturist**, 1894 Index to Handicraft Books, 1974-1984 Carnegie Library of Pittsburgh. Science and Technology Department, 1986 Handicrafts and do it yourself projects have always been a library's most popular and heavily requested subject. And for more than a decade a definitive index to handicraft books has not been published. To fill this gap the Science and Technology Department at Carnegie Library of Pittsburgh has compiled the Index to Handicraft Books listing more than 900 books and over 12,400 subject entries covering books published from 1974 to 1984. The Index to Handicraft Books is an essential reference tool for librarians who want to help someone find instructions for a varied range of do it yourself projects providing quick access to craft projects in books more recent than previous handicraft index books have listed. Each entry in the index consists of a subject heading, the name of the project as listed in the book, the author and title of the book, and the page numbers on which the project can be found. The author and title correspond to those in the List of Works Cited section which gives full bibliographic information in order to help librarians find the book on their shelves or obtain the book through inter-library loan. Because this index developed from a card file index of craft books acquired by Carnegie Library since 1974, the list concentrates mainly on medium priced books that most libraries buy.

**The Sew & Save Source Book** Margaret Ann Boyd, 1984 Wild Things to Make Kirsty Hartley, 2016-08-25 The Wild Things clothing brand is back with more sewing projects to make for your children. Following on from prolific sewer Kirsty Hartley's WILD THINGS FUNKY LITTLE CLOTHES TO SEW, this second book will offer over 40 more projects for your child. The Wild Things Funky Little Dresses clothing range brings exciting and mythical clothing to your child's wardrobe; now you can make your own everyday play clothes and accessories to bring to life. WILD THINGS TO MAKE will inspire makers of all abilities to create something exciting for their children that they will really want to wear. Drawing on simple shape and whimsical imagery, the step-by-step projects include dresses, hats, jackets, and dungarees, as well as some simple accessories and keepsake gifts with a little heart and soul. With themes from enchanted woodland to summer essentials for beginners and outfits including a robin pinafore, mermaid sundress, shark dungarees, and fun accessories like your child's very own puppet theatre or teepee, this book adds a spark of adventure to everyday clothes and playtime fun.
