Backgrounds for Joyce's Dubliners Donald T. Torchiana,2015-12-22 First published in 1986 Dubliners was James Joyce s first major publication Setting it at the turn of the century Joyce claims to hold up a nicely polished looking glass to the native Irishman In Backgrounds for Joyce s Dubliners the author examines the national mythic religious and legendary details which Joyce builds up to capture a many sided performance and timelessness in Irish life Acknowledging the serious work done on Dubliners as a whole in this study Professor Torchiana draws upon a wide range of published and unpublished sources to provide a scholarly and satisfying framework for Joyce s world of the inept and the lower middle class He combines an understanding of Joyce s subtleties with a long standing personal knowledge of Dublin This title will make fascinating reading for scholars and students of Joyce s writing as well as for those interested in early twentieth century Irish social history
