Worship for Workers Matthew Kaemingk, Kathryn Roelofs, 2026-02-24 Designing Worship Services That Speak to Our Daily Work Lives People spend approximately one third of their lives at work Whether paid or volunteer blue collar or white collar workers experience tremendous joys and significant challenges in their daily work It should be no surprise that their spiritual questions frustrations and longings are often directly connected to their various careers and callings But when they gather for corporate worship services rarely acknowledge or mention their working lives In *Leading Worship for Workers* two innovators in the global faith and work movement encourage church leaders to think critically about the congregations they serve You ll discover how to audit current worship practices and assess your congregation s work life realities to create more relevant engaging Sunday services step by step guidance for every element of worship from gathering and singing to confession testimony communion and sending with specific applications for workers in all vocations prayers songs liturgies and blessing ceremonies for various callings including students parents retirees and workers transitioning between careers and innovative worship ideas and resources to help ministry teams integrate faith at work themes into weekly services This comprehensive resource offers pastors worship leaders and ministry teams an array of creative ideas and practical methods to help them craft worship services that speak directly to workers and the realities they face throughout the week **Back to School Prayer & Anointing** Samuel A Liadi, 2022-08-10 As the school year begins parents and guardians get busy shopping around for all the necessary things their children will need to resume school Most often they concentrate only on those material needs without due consideration for the spiritual preparation It s equally important to take care of our children s spiritual need by sending prayer ahead of all their school activities This is so because the place of prayer cannot be overemphasized in their lives Prayer as we know is very effective and powerful it has the potency to go into the past present and future to make crooked way straight So therefore every godly parent must invest prayer in the life of their child It s scripted in Bible in Luke 2 52 that Jesus grew in wisdom and stature and in favor with God and man This scripture includes the three most important aspects of a child s developmental process in life the Mind Body and Spirit which this scripture mentioned as Wisdom Stature and Favor The bible put this in proper perspective for us in the book of James 1 5 that if anyone lacks wisdom ask of God and it will be given unto him or her Therefore parents ask God in prayer to bequeath your children with the wisdom and knowledge they need to triumph in their studies and in life generally Proverbs 22 6 Train up a child in the way he should go and when he is old he will not depart from it This scripture saddled every parent with a big responsibility to raise their children to become responsible and successful people in the society as God purposed in Jeremiah 29 11 However parents and guardians must make conscious effort to pray constantly for their children without ceasing until their good is better and their better best This is a hard decision we must put in for them now if we really want to see them excel in life Please don t settle for less I thank the Holy Spirit for insight and inspiration on this book It s indeed a blessing and a necessary tool in the hands of any parent or guardian that is ready to invest prayer in their children s welfare in a

world that is full of distractions confusion and wickedness I congratulate you in advance for what the Almighty God will do in the life of your children and your entire household Thanks for using my book **From the Jar of Blessings** Shawn Wells,2024-06-10 From the Jar of Blessings is a compilation of about 270 blessings and or inspirational quotes that were sent to me by family and friends over a period of eleven years I would write each blessing quote on bright colored squares of paper fold them up and put them in a big glass olive jar I have For this book I have taken each blessing and or quote and written my thoughts about them Some of the blessings quotes are deeply personal while others are quite funny This book reminds us that God sends us blessings and inspiration on a regular basis whether it be a simple blessing such as a small act of kindness or a huge blessing such as sparing a life after what could have been a fatal accident All too often we are so busy that we don't take the time to focus on the blessings all around us Some of the blessings in this book were sent to me by adults and others were sent by kids For some reason kids have an easier time recognizing blessings One boy sent in the following blessing I am thankful a boy in my class spoke up and stopped someone from bullying me I was so blessed to know that there were students at the school who were willing to stand up for others Bullying is such a problem in our schools and it is so important that children and adults stand up against it The blessings quotes in this book deal with topics such as Alzheimer's disease caregiving lack of finances cancer and many more Hopefully the blessings and or quotes in this book will cause you to look at day to day life from a different perspective Cruel Fate Augustine Onyebuchukwu Ifebighi,2002
