

Rain Forests

They're really half a world away,
There's nothing we can do.
"Rain Forests" might be just two words
To kids like me and you.

They're really somewhere over there.
I may not even see
A **Rain Forest** in my entire life.
What should it mean to me?

I know that in these **Rain Forests**
That I may never see,
Half the world's plants, animals and insects
Live in harmony.

I know that trees are being cut,
Faster than we know.
These trees are where the creatures live,
So now where will they go?

So, I know they're half a world away,
Rain Forests I can't see.
But I can learn and understand
Because the future starts with me!

You can make a difference.
