

## The Lost City of Atlantis

A long time ago, a Greek philosopher named Plato told a story about a city called Atlantis. The founders of Atlantis were just good and just humans, and the good founders protected the city. Atlantis was a beautiful place filled with gold, silver, and other valuable materials, and it had many amazing animals. It was also a powerful naval empire.

Plato said he saw, after, the king of Atlantis. The people living there were called Atlantians. In the Atlantians gave strength. They became greatly. They created many lands like Africa and Europe. They made the gods very angry. One night, they sent huge earthquakes, floods, and fire to Atlantis. This caused it to sink into the ocean, never to be seen again.

Many historians and archaeologists have tried to find Atlantis. Sometimes, they discover nothing other than interesting artifacts. They see Atlantis that Atlantis was real. It makes for an amazing story!
