### A3 Threads Connections Peter Ahrends:

**Clean Living Under Difficult Circumstances** Owen Hatherley,2021-06-22 From the grandiose histories of grand state building projects to the minutiae of street signs and corner pubs from the rebuilding of capital cities to the provision of the humble public toilet Clean Living in Difficult Circumstances argues for the city as a socialist project Combining memoir history portraits of particular places and things Hatherley argues for those who have tried to create and imagine a better modernity both in terms of architecture such as Zaha Hadid or Ian Nairn in terms of the urban space like Jane Jacobs or Marshall Berman and the way we see the world more widely like Mark Fisher or Adam Curtis Together these outline a vision of the city as both as a place of political argument and dispute and as a space of everyday experience one that we shape as much as it shapes us

**A3 Threads and Connections** Peter Ahrends,2015-03-12 *Terence Rattigan* Peter

Wolfe,2019-07-08 The theatrical world Terence Rattigan built is vital but disturbing and uniquely constructed His sentences are not impacted or fractured and his plots usually obey a linear time sequence Yet his realism isn't all that real Though sentence by sentence his dialogue sounds natural the creative pulse behind it is idiosyncratic and self lacerating As a gay man writing at a time when homosexuality was a felony in the UK Rattigan wrote at a skewed angle to his culture making his plays at times easy to follow but hard to fathom Terence Rattigan The Playwright as Battlefield examines the ways in which Rattigan's works turn their audiences into participants encouraging intellectual independence and freeing them to make decisions for themselves as to the deeper meanings of the works The playwright's omission of outright explanations deepens the audience's emotional commitment to the outcomes of the performance and walks a fine line between restraint and invention His works convey subtly and deceptively the cold obstinacy that thwarts our everyday actions in a way which that is felt viscerally by the audience This book engages works from throughout Rattigan's early and late career to examine the unique methods by which the playwright conveys meaning to various audiences within an ever changing sociocultural context
