

# A World History Of Christianity

**Paul R. Spickard, Kevin M. Cragg**

## **A World History Of Christianity:**

*A Short World History of Christianity, Revised Edition* Robert Bruce Mullin, 2014-11-22 Church historians have long known and appreciated Christianity's global history. Until recently, however, introductory textbooks on the history of Christianity focused almost exclusively on Europe and North America. Robert Bruce Mullins's *A Short World History of Christianity* by contrast offers a panoramic picture of the history of Christianity in its Western and non-Western expressions. It tells the story of the early church in the Greek East as well as the Latin West of Christianity's spread into Asia as well as Europe during the Middle Ages and its explosion around the world during the modern period. Mullins's highly readable narrative explores why global perspectives have emerged so strongly in our understanding of the story of Christianity and how they have impacted Christianity's perspective on its place in the world. This newly revised edition adds information on such global phenomena as early Syriac speaking Christianity, the growth of Pentecostalism around the world especially in the southern hemisphere and recent trends in Christianity including the elevation of the first pope born in the Americas. A timeline of key dates, call-out boxes, and other helpful study materials are also provided. Beginning students will appreciate this memorable introduction to the most important events in the history and development of Christianity.

**A World History of Christianity** Adrian Hastings, 2000-07-05 This superb volume provides the first genuinely global one-volume history of the rise and development of the Christian faith. An international team of specialists takes seriously the geographical diversity of the Christian story, discussing the impact of Christianity not only in the West but also in Latin America, Africa, India, the Orient, and Australasia.

*The First Thousand Years* Robert Louis Wilken, 2012-11-27 A brilliant survey of the development of Christianity tells a riveting story of a struggling young religion searching for an identity. Publishers Weekly This sweeping history begins with the life of Jesus and narrates the remarkable story of Christianity as it unfolded over the next thousand years. Unique in its global scope, the book encompasses the vast geographical span of early Christianity from the regions around the Mediterranean Sea through the Middle East and beyond to central Asia, India, and China. Robert Louis Wilken, beloved professor and renowned author, selects people and events of particular importance in Christian history to bring into focus the full drama of the new religion's development. The coming of Christianity he demonstrates set in motion one of the most profound revolutions the world has known. Wilken tracks the growth of Christian communities around the ancient world and shows how the influence of Christianity led not only to the remaking of cultures but also to the creation of new civilizations. He explores the powerful impact of the rise and spread of Islam on Christianity and devotes several chapters to the early experiences of Christians under Muslim rule in the Middle East, Egypt, North Africa, and Spain. By expanding the telling of Christian history to encompass perspectives beyond just those of the West, Wilken highlights how interactions with new peoples and languages changed early Christian practices even as the shared rituals of Christian people bound them in spiritual unity despite their deep cultural differences. Ambitious and wide-ranging, this highly accessible volume abounds with

lively tales and fascinating connections **The Christian Century** [A Global History of Christians](#) Paul R. Spickard, Kevin M. Cragg, 2001-02 Surveys the progression of the Christian experience within historical social economic and cultural contexts

**The Christian World** Martin Marty, 2009-01-13 In this cogent volume historian Martin Marty gives readers of all faiths a brief yet sweeping account of Christianity and how it grew from a few believers two thousand years ago to become the world's largest religion. He depicts the life of Christ and his teachings and explains how the apostles set out to spread the Gospel. With a special emphasis on global Christianity, Marty shows how the religion emerged from its ancestral homeland in Africa, the Levant and Asia Minor, was imported to Europe and then expanded from there to the rest of the world. While giving a broad overview, Marty also focuses on specific issues such as how Christianity attempts to reconcile with the teachings of Christ, some of its stances on armed conflict, justice and dominion. **The Christian World** is a remarkable testament to how Christ's message has touched human experience everywhere.

**Christianity in the Twentieth Century** Brian Stanley, 2018-06-26 A history of unparalleled scope that charts the global transformation of Christianity during an age of profound political and cultural change. **Christianity in the Twentieth Century** charts the transformation of one of the world's great religions during an age marked by world wars, genocide, nationalism, decolonization and powerful ideological currents, many of them hostile to Christianity. Written by a leading scholar of world Christianity, the book traces how Christianity evolved from a religion defined by the culture and politics of Europe to the expanding, polycentric and multicultural faith it is today, one whose growing popular support is strongest in sub-Saharan Africa, Latin America, China and other parts of Asia. Brian Stanley sheds critical light on themes of central importance for understanding the global contours of modern Christianity, illustrating each one with contrasting case studies usually taken from different parts of the world. Unlike other books on world Christianity, this one is not a regional survey or chronological narrative nor does it focus on theology or ecclesiastical institutions. Rather, Stanley provides a history of Christianity as a popular faith experienced and lived by its adherents, telling a compelling and multifaceted story of Christendom's fortunes in Europe, North America and across the rest of the globe. Transnational in scope and drawing on the latest scholarship, **Christianity in the Twentieth Century** demonstrates how Christianity has had less to fear from the onslaughts of secularism than from the readiness of Christians themselves to accommodate their faith to ideologies that privilege racial identity or radical individualism.

**The Bible** Bruce Gordon, 2024-09-17 A wonderful, highly comprehensive book. John Barton, author of *A History of the Bible*, global history of the world's best known and most influential book. For Christians, the Bible is a book inspired by God. Its eternal words are transmitted across the world by fallible human hands. Following Jesus' departing instruction to go out into the world, the Bible has been a book in motion from its very beginnings and every community it has encountered has read, heard and seen the Bible through its own language and culture. In *The Bible*, Bruce Gordon tells the astounding story of the Bible's journey around the globe and across more than two thousand years, showing how it has shaped and been shaped by changing beliefs.

and believers radically different needs The Bible has been a tool for violence and oppression and it has expressed hopes for liberation God speaks with one voice but the people who receive it are scattered and divided found in desert monasteries and Chinese house churches in Byzantine cathedrals and Guatemalan villages Breathtakingly global in scope The Bible tells the story of this sacred book through the stories of its many and diverse human encounters revealing not a static text but a living dynamic cultural force

*A Brief History of Christianity* Carter Lindberg,2009-02-04 Charting the rise and development of Christianity Carter Lindberg has succeeded in writing a concise and compelling history of the world's largest religion He spans over 2 000 years of colorful incident to give an authoritative history of Christianity for both the general reader and the beginning student Ranges from the missionary journeys of the apostles to the tele evangelism of the twenty first century Demonstrates how the Christian community received and forged its identity from its development of the Bible to the present day Covers topics fundamental to understanding the course of Western Christianity including the growth of the papacy heresy and schism reformation and counter reformation Includes an introduction to the historiography of Christianity a note on the problems of periodization an appendix on theological terms and a useful bibliography An authoritative yet succinct history written to appeal to a general audience as well as students of the history of Christianity Written by internationally regarded theologian Carter Lindberg who is the author of numerous titles on theology and Church history

### **Christianity**

*Christianity* David Chidester,2000-11-21 David Chidester one of the world's foremost scholars of religion traces Christianity's growth and development from the time of Jesus to the dawn of the third millennium revealing its rich diversity through the deeds and beliefs of heretics and saints witches and healers preachers and inquisitors Chidester explores the emergence of the major streams of Christian thought and practice distilling the cultural history of the Church and its impact on the world into this superbly readable book Alongside this broad panorama is a richly human story that the author brilliantly encapsulates in incisive character sketches and historical vignettes Christianity in all its many facets has been and continues to be one of the most influential forces in history Chidester shows that this religion with its roots deep in the ancient world has always been in a constant state of evolution affecting and affected by the religions and societies around it At times Christianity has coexisted peacefully with other forms of belief exchanging ideas and practices with them At other times profound even violent conflict has arisen In this book David Chidester intelligently and objectively portrays Christians in different times and places as a minority and as the majority group a religion both absorbing and resisting the world around it Christianity reveals the religion as it was and is lived in the life of everyday people rather than focusing on the dry dogmas and beliefs that fill most histories Chidester's accomplishment is to capture the complexity and grand sweep of this story in one remarkable volume that is destined to take its place as a classic of religious history

*A Short Introduction to the History of Christianity* Tim Dowley,2018-04 Tim Dowley's masterful one volume survey of church history is now available in a new concise format designed with today's student in mind Each section of Dowley's Introduction to the History of Christianity has been reviewed

and content edited to create a more compact summary of Christian history. This new shorter introduction retains the full color format of the popular full edition including the third edition's new images and maps. Dowley has assembled a global cast of respected scholars to write the full story of the rise of the Christian faith and to provide a rounded picture of the worldwide development of Christianity. The volume has been praised as accurate, scholarly, and balanced. Its writers are committed to Christianity but also to the unhindered pursuit of truth that does not avoid the darker aspects of the varied story of Christianity. The accessible text is supported by detailed timelines, maps, profiles of key figures in Christianity, colorful images, and a complete glossary. Each section includes questions for discussion.

*The Changing World of Christianity* Dyron B. Daugherty, 2010

Christianity has changed. Formerly known as the religion of Europe and North America, it is now a religion of the Global South, Asia, Africa, and Latin America. However, Christianity has never been merely a Western phenomenon; it has always been a borderless religion. Indeed, in six of the world's eight cultural blocks, Christianity is the largest faith. With convenient maps, helpful statistics, and concise histories of each of the world's major cultural blocks, *The Changing World of Christianity* is a dynamic guide for understanding Christianity's new ethos. From Ireland to Papua New Guinea, Argentina to China, South Africa to Russia, this book provides a clear and encyclopedic look at Christianity, the world's largest and most global religion.

*A History of Christianity* Diarmaid MacCulloch, 2010

Christianity, one of the world's great religions, has had an incalculable impact on human history. This book, now the most comprehensive and up-to-date single volume work in English, describes not only the main ideas and personalities of Christian history, its organisation and spirituality, but how it has changed politics, sex, and human society. Diarmaid MacCulloch ranges from Palestine in the first century to India in the third, from Damascus to China in the seventh century, and from San Francisco to Korea in the twentieth. He is one of the most widely travelled of Christian historians and conveys a sense of place as arrestingly as he does the power of ideas. He presents the development of Christian history differently from any of his predecessors. He shows how, after a semblance of unity in its earliest centuries, the Christian church divided during the next 1400 years into three increasingly distanced parts, of which the western Church was by no means always the most important. He observes that at the end of the first eight centuries of Christian history, Baghdad might have seemed a more likely capital for worldwide Christianity than Rome. This is the first truly global history of Christianity.

*Christianity* Frederick W. Norris, 2014-10-01

A detailed chronological guide tracing the geographical and social development of Christian communities around the world, covering many key issues including the Crusades and the fervent evangelism of missionary movements over the last five hundred years.

*A short world history of Christianity* Robert Bruce Mullin, 2008

*Christianity in World History* Arend Theodoor van Leeuwen, 1964

*The World's History: The Mediterranean nations* Hans Ferdinand Helmolt, 1902

**CHRISTIANITY AND WORLD HISTORY** Dr. LI JIN WEI, 2022-07-27

Exploring history has long been associated with religious history. In many religions, the very essence of history is apostasy; in some religions, historical thought is part of the spiritual process. Christianity is one of the earliest

religions in the world Many scholars who study the history of history and early Christianity believe that the Gospels and the life of Jesus should be viewed in their historical and cultural context rather than merely in the light of Christian teachings From shaping territories to leaders Rulers to religious icons Christianity has played a huge role since the beginning of its existence Christianity has always been a part of this world from the blood on the cross to the modern world in different ways What Jesus started was taken over by apostles and after that The Popes kept spreading the word of Christ Christianity has become closely associated with the history and formation of Western society Throughout its long history the Church has been a significant source of community services such as school and health care inspiration in arts culture and philosophy and a player of political and religious influence Early Christianity came from a small Jewish community in the first century CE and took on several Greek speaking beliefs customs and philosophies In the history of Western culture the emergence of Christianity in the Roman Empire is known as the triumph of Christianity This refers to the triumph of Christian beliefs over pagan beliefs and practices However it is essential to note that Christianity did not become a silent religion Christian history is a storehouse of God's work on the earth we should learn and embrace it Much of the Bible is historical History describes and affects our lives even in these modern times History allows us to temporarily deviate from our lives and culture to explore it with consideration for another way of living World Christianity and Indigenous Experience David

Lindenfeld,2021-05-20 In this book David Lindenfeld proposes a new dimension to the study of world history Here he explores the global expansion of Christianity since 1500 from the perspectives of the indigenous people who were affected by it and helped change it giving them active agency Integrating the study of religion into world history his volume surveys indigenous experience in colonial Latin America Native North America Africa and the African diaspora the Middle East India East Asia and the Pacific Lindenfeld demonstrates how religion is closely interwoven with political economic and social history Wide ranging in scope and offering a synoptic perspective of our interconnected world Lindenfeld combines in depth analysis of individual regions with comprehensive global coverage He also provides a new vocabulary with a spectrum ranging from resistance to acceptance and commitment to Christianity that articulates the range and complexity of the indigenous conversion experience Lindenfeld's cross cultural reflections provide a compelling alternative to the Western narrative of progressive development **Christian Community in History Volume 1** Roger Haight,2004-09-16 Drawing upon the methodology developed in his Dynamics of Theology 1990 and exemplified in Jesus Symbol of God 1999 Roger Haight in this magisterial work achieves what he calls an historical ecclesiology or ecclesiology from below In contrast to traditional ecclesiology from above which is abstract idealist and ahistorical ecclesiology from below is concrete realist and historically conscious In this first of two volumes Haight charts the history of the church's self understandings from the origins of the church in the Jesus movement to the late Middle Ages In volume 2 Haight develops a comparative ecclesiology based on the history and diverse theologies of the worldwide Christian movement from the Reformation to the present While

the ultimate focus of the work falls on the structure of the church and its theological self understanding it tries to be faithful to the historical social and political reality of the church in each period    **Christian History** Alister E. McGrath,2013-03-04  
A major new introduction to the global history of Christianity written by one of the world's leading theologians and author of numerous bestselling textbooks Provides a truly global review by exploring the development of Christianity and related issues in Asia Latin America and Africa and not just focusing on Western concerns Spanning more than two millennia and combining elements of theology history and culture it traces the development of all three branches of Christianity Catholic Protestant and Orthodox providing context to Christianity's origins and its links to Judaism Looks beyond denominational history at Christianity's impact on individuals society politics and intellectual thought as well as on art architecture and the natural sciences Combines McGrath's acute historical sensibility with formidable organizational skill breaking the material down into accessible self contained historical periods Offers an accessible and student oriented text assuming little or no advance theological or historical knowledge on the part of the reader

The book delves into A World History Of Christianity. A World History Of Christianity is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into A World History Of Christianity, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to A World History Of Christianity
- Chapter 2: Essential Elements of A World History Of Christianity
- Chapter 3: A World History Of Christianity in Everyday Life
- Chapter 4: A World History Of Christianity in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of A World History Of Christianity. The first chapter will explore what A World History Of Christianity is, why A World History Of Christianity is vital, and how to effectively learn about A World History Of Christianity.
3. In chapter 2, the author will delve into the foundational concepts of A World History Of Christianity. This chapter will elucidate the essential principles that need to be understood to grasp A World History Of Christianity in its entirety.
4. In chapter 3, this book will examine the practical applications of A World History Of Christianity in daily life. This chapter will showcase real-world examples of how A World History Of Christianity can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of A World History Of Christianity in specific contexts. The fourth chapter will explore how A World History Of Christianity is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about A World History Of Christianity. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of A World History Of Christianity.

## **A World History Of Christianity Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free A World History Of Christianity PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free A World History Of Christianity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of A World History Of Christianity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## FAQs About A World History Of Christianity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. A World History Of Christianity is one of the best book in our library for free trial. We provide copy of A World History Of Christianity in digital format, so the resources that you find are reliable. There are also many eBooks of related with A World History Of Christianity. Where to download A World History Of Christianity online for free? Are you looking for A World History Of Christianity PDF? This is definitely going to save you time and cash in something you should think about.
