The End of Patriarchy Robert Jensen, 2017-01-17 The End of Patriarchy asks one key question what do we need to create stable and decent human communities that can thrive in a sustainable relationship with the larger living world Robert Jensen s answer is feminism and a critique of patriarchy He calls for a radical feminist challenge to institutionalized male dominance an uncompromising rejection of men s assertion of a right to control women s sexuality and a demand for an end to the violence and coercion that are at the heart of all systems of domination and subordination The End of Patriarchy makes a powerful argument that a socially just society requires no less than a radical feminist overhaul of the dominant patriarchal structures
