State of the Union Addresses of Abraham Lincoln Abraham Lincoln, 2013-05-30 Includes Lincoln's State of the Union Addresses from 1861-1864      The Complete State of the Union Addresses of Abraham Lincoln Abraham Lincoln, 2008-01

Abraham Lincoln 1809-1865 was the sixteenth President of the United States serving from 1861 until his assassination. As an outspoken opponent of the expansion of slavery in the United States, Lincoln won the Republican Party nomination in 1860 and was elected president later that year. During his term, he helped preserve the United States by leading the defeat of the secessionist Confederate States of America in the American Civil War. He introduced measures that resulted in the abolition of slavery, issuing his Emancipation Proclamation in 1863 and promoting the passage of the Thirteenth Amendment to the Constitution in 1865. Lincoln closely supervised the victorious war effort, especially the selection of top generals, including Ulysses S. Grant. Lincoln successfully defused a war scare with the United Kingdom in 1861. Under his leadership, the Union took control of the border slave states at the start of the war. Additionally, he managed his own reelection in the 1864 presidential election.

*Abraham Lincoln's State of the Union Addresses* Abraham Lincoln, 2015-12-18

Abraham Lincoln 1809-1865 is one of the most famous Americans in history and one of the country's most revered presidents. Schoolchildren can recite the life story of Lincoln, the Westerner who educated himself and became a self-made man rising from lawyer to leader of the new Republican Party before becoming the 16th President of the United States. Lincoln successfully navigated the Union through the Civil War but didn't live to witness his own accomplishment becoming the first president assassinated when he was killed at Ford's Theater by John Wilkes Booth. As impressive as his presidency was, one of his most lasting legacies was his writing. In addition to masterful writing for everything from orders to his generals and condolences to the aggrieved Mrs. Bixby, his Second Inaugural Address and Gettysburg Address are considered masterpieces that rate among the greatest writings in American history. Perhaps Lincoln's most impressive feat is that he was able to convey so much with so few words. After famous orator Edward Everett spoke for hours at Gettysburg, Lincoln's Gettysburg Address only took a few minutes. In the generation after the Civil War, Lincoln became an American deity and one of the most written-about men in history. Understandably, all of his writings and papers were intently scoured and collected, and they've been preserved in seven volumes of *Papers and Writings*.
