Absolute Surrender Andrew Murray,2017-07-01 My God I am willing that You would make me willing God waits to bless us in a way beyond what we expect From the beginning ear has not heard neither has the eye seen what God has prepared for those who wait for Him Isaiah 64 4 God has prepared unheard of things things you never can think of blessings much more wonderful than you can imagine and mightier than you can conceive They are divine blessings Oh come at once and say I give myself absolutely to God to His will to do only what God wants God will enable you to carry out the surrender necessary if you come to Him with a sincere heart

Absolute Surrender Andrew Murray,2013-11 Absolute surrender let me tell you where I got those words I used them myself often and you have heard them numberless times But in Scotland once I was in a company where we were talking about the condition of Christ s Church and what the great need of the Church and of believers is and there was in our company a godly worker who has much to do in training workers and I asked him what he would say was the great need of the Church and the message that ought to be preached He answered very quietly and simply and determinedly Absolute surrender to God is the one thing The words struck me as never before And that man began to tell how in the workers with whom he had to deal he finds that if they are sound on that point even

though they be backward they are willing to be taught and helped and they always improve whereas others who are not sound there very often go back and leave the work The condition for obtaining God s full blessing is absolute surrender to Him And now I desire by God s grace to give to you this message that your God in Heaven answers the prayers which you have offered for blessing on yourselves and for blessing on those around you by this one demand Are you willing to surrender yourselves absolutely into His hands What is our answer to be God knows there are hundreds of hearts who have said it and there are hundreds more who long to say it but hardly dare to do so And there are hearts who have said it but who have yet miserably failed and who feel themselves condemned because they did not find the secret of the power to live that life May God have a word for all Let me say first of all that God claims it from us God Expects Your Surrender Yes it has its foundation in the very nature of God God cannot do otherwise Who is God He is the Fountain of life the only Source of existence and power and goodness and throughout the universe there is nothing good but what God works God has created the sun and the moon and the stars and the flowers and the trees and the grass and are they not all absolutely surrendered to God Do they not allow God to work in them just what He pleases When God clothes the lily with its beauty is it not yielded up surrendered given over to God as He works in its beauty And God s redeemed children oh can you think that God can work His work if there is only half or a part of them surrendered God cannot do it God is life and love and blessing and power and infinite beauty and God delights to communicate Himself to every child who is prepared to receive Him but ah this one lack of absolute surrender is just the thing that hinders God And now He comes and as God He claims it The Wisdom of Andrew Murray Vol. III Andrew Murray, 2008-12 Collected here in this omnibus edition are three of Andrew Murray s books Included are Absolute Surrender The Master s Indwelling and The Prayer Life I desire by God s grace to give to you this message that your God in heaven answers the prayers which you have offered for blessing on yourselves and for blessing on those around you by this one demand Are you willing to surrender yourselves absolutely into His hands Every one of us is a temple of God in which God will dwell and work mightily on one condition absolute surrender to Him God claims it God is worthy of it and without it God cannot work His blessed work in us We often hear about the compromise life and the question comes up What lies at the root of it What is the reason that so many Christians are wasting their lives in the terrible bondage of the world instead of living in the manifestation and the privilege and the glory of the child of God And another question perhaps comes to us What can be the reason that when we see a thing is wrong and strive against it we cannot conquer it What can be the reason that we have a hundred times prayed and vowed yet here we are still living a mingled divided half hearted life To those two questions there is one answer it is self that is the root of the whole trouble
