

BIRON ROMAN PROCHAZKA

ABYSSINIA: THE POWDER BARREL

A BOOK ON THE MOST BURNING
QUESTION OF THE DAY

The author of this book was a lawyer in Addis Ababa up to 1934, pleading before the mixed international courts and the consular tribunals of the European states. His disclosures concerning the internal administration of Abyssinia and the possibilities of war furnish a rich fund of fact partly taken from official sources. What the author here says has been confirmed by recent happenings, and what he says about the future is therefore worthy of careful consideration.

Abyssinia The Powder Barrel

Robert L. Hess

Abyssinia The Powder Barrel:

Abyssinia Roman Freiherr von Procházka, 1936 *Abyssinia* GREAT BRITAIN DIRECTORATE OF OVERSEAS SURVEYS., Great Britain. War Office. General Staff. Geographical Section, 1935 **Bibliographia Aethiopica II** Hans Wilhelm Lockot, 1998 Erstmals wird hier die Fülle der englischsprachigen Äthiopienliteratur geordnet dargeboten In 100 Sections führt der Autor alle für die wissenschaftliche Beschäftigung mit Äthiopien wichtigen Buch und Zeitschriftenbeiträge zum Beispiel zur History of Research Archaeology Religion aber auch Fragen der Sociology Agriculture Zoology und Medical Sciences auf Wie im Falle der deutschsprachigen Literatur Bibliographia Aethiopica Die äthiopienkundliche Literatur des deutschsprachigen Raumes Äthiopistische Forschungen 9 1982 berücksichtigt der Autor auch alle ihm zugänglichen Besprechungen womit bei einer Aufnahme von mehr als 24 000 Titeln eine Art Bibliographic Encyclopedia entstanden ist

Alliance of the Colored Peoples Joseph Calvitt Clarke, 2011 A detailed examination of Ethiopian Japanese relations from their beginnings in the interwar period through the Italo Ethiopian War of 1935 6 drawing on Japanese Russian Italian French and English sources With the Japanese posing as the leader of the world's colored peoples before World War II many Ethiopians turned to Japan for inspiration By offering them commercial opportunities by seeking their military support and by reaching out to popular Japanese opinion Ethiopians tried to soften the stark reality of a stronger Italy encroaching on their country Europeans feared Japan's growing economic and political influence in the colonial world Jealously guarding its claimed rights in Ethiopia against all comers among Italy's reasons for going to war was the perceived need to blunt Japan's commercial and military advances into Northeast Africa Meanwhile throughout 1934 and the summer of 1935 Moscow worked hard and in ways contrary to its claimed ideological imperatives to make Collective Security work Ethiopia was a small price to pay Italy for cooperation against Nazi Germany in Austria and Imperial Japan in China Yellow Japanese and black Ethiopian collaboration before the war illuminates the pernicious and flexible use of race in international diplomacy In odious terms Italians used race to justify their actions as defending western and white civilization The Japanese used race to explain their tilt toward Ethiopia The Soviets used race to justify their support for Italy until late 1935 Ethiopia used race to attract help and colored peoples worldwide rallied to Ethiopia's call J Calvitt Clarke III is Professor Emeritus of History at Jacksonville University Florida **Persecution, Migration, and Nationalism** Mesganaw Mihiret, 2024-12-21 This book investigates how first generation immigrants who identify as Amhara in the United States craft their identities and establish both physical and social spaces for themselves This sits alongside the rise of Amhara ethnic nationalism which aims to counter anti Amhara sentiments and practices embedded in Ethiopia's body politic since the second half of the 19th century The author charts the historical development of the Ethiopian state particularly how Italian colonial era discord contributed to narratives of ethnic hatred toward the Amhara in a multiethnic Ethiopia The book addresses key issues related to the after migration experiences of the Amhara particularly how they engage in placemaking centered on tizita nostalgia a concept that

encompasses remembering memorializing and yearning for places and experiences left behind This holds deep significance in Amhara culture The book explores the rise of nationalism as a response to these dynamics and examines the transnational political processes that shape identity formation Additionally it analyzes how Amhara immigrants replicate cultural landscapes in their new environments The experiences of Amhara immigrants in the USA provide unique insights into broader questions of how national political histories colonial narratives cultural heritage and the negotiation between Western and non Western cultures shape immigrant identity

Historical Dictionary of Ethiopia David H. Shinn, Thomas P. Ofcansky, 2013-04-11 Ethiopia is clearly one of the most important countries in Africa First of all with about 75 million people it is the third most populous country in Africa Second it is very strategically located in the Horn of Africa and bordering Eritrea Sudan Kenya and Somalia with some of whom it has touchy and sometimes worse relations Yet its capital Addis Ababa is the headquarters of the African Union the prime meeting place for Africa's leaders So if things went poorly in Ethiopia this would not be good for Africa and for a long time this was the case with internal disruption rife until it was literally suppressed under the strong rule of the recently deceased Meles Zenawi The Historical Dictionary of Ethiopia Second Edition covers the history of Ethiopia through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has several hundred cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Ethiopia

Dynamics of Heritage Management and Tourism Development Surabhi Srivastava, Ruchika Kulshrestha, 2025-04-02 This book explores and elaborates on the concept of heritage tourism and its implications for the tourism industry worldwide The book is unique in that it offers a thorough assessment of the literature on heritage management in order to highlight the significance of conserving and promoting tangible and intangible cultural assets for sustainable tourism development It provides direction for destinations experiencing problems with heritage management and for developing new tourism destinations The chapters focus on what has been learned from previous generations both material and immaterial and what constitutes a cultural heritage Topics include changing dynamics of heritage management through sustainability challenges in conservation of architectural heritage tourism development in urban areas digitization as a tool for conservation and sustainability and more The book makes extensive use of case studies to demonstrate the strategies and impacts related to heritage tourism in different countries
