English Learners at the Top of the Class Mayra C. Daniel,2017-06-14 English Learners at the Top of the

Class is a practice oriented book that also contributes to the professional literature It is written for teacher candidates and both new and experienced practicing teachers who want to design and deliver effective instructional paradigms across this country's diverse classrooms Chapter authors bring to this book their experiences as teachers at levels K-12 Many of them learned English as a second language and experienced life as an EL in U.S. classrooms They were all teachers who along the way began to work with ELs Their engagement with culturally diverse students led them to become teacher educators They are committed to preparing teachers who are energized to learn about their ELs cultures and who want to make the schoolhouse a culturally responsive environment [Building Literacy with English Language Learners, Second Edition](#)

Kristin Lems, Leah D. Miller, Tenena M. Soro, 2017-08-16 How can linguistics help teachers of English language learners (ELLs) improve their instruction? What specific competencies do ELLs need to build in order to speak, listen, read, and write in a new language? Now revised and expanded with a broader view of literacy, this book has guided thousands of inservice and preservice teachers to understand the processes involved in second language acquisition and help ELLs succeed. The authors explain relevant linguistic concepts with a focus on what works in today's diverse PreK-12 classrooms. Effective teaching strategies are illustrated with engaging classroom vignettes; the volume also features instructive discussion questions and a glossary. First edition title: *Teaching Reading to English Language Learners*. New to This Edition: Broader view of literacy, increased attention to oral language and writing, as well as reading Chapter on digital learning, plus new content on digital technology throughout the book. Even more user friendly additional classroom suggestions from real teachers, vignettes and examples, and graphics illustrating linguistic concepts. End of chapter challenge questions that inspire deeper reflection.
