## **Academic Life Hospitality Ethics And Spirituality:**

**Academic Life** John Beecher Bennett, 2003-01-01 In this profound look at the academy John Bennett reminds us that our leadership decisions always presuppose our philosophies of life and that understanding precedes practice How we understand the communities we lead informs the many practical judgments we make about directions to take structures to create processes to initiate and values to uphold Bennett argues that faculty may understand their departments or institutions in one of two ways as simply aggregations of individuals or as communities of intertwined persons From these views two different leadership values and positions emerge The first disposes us toward seeing academic conflict as inevitable and elevates heroic leadership styles where power is understood in terms of advancing one agenda over competitors The second underwrites leadership as supporting openness to others and emphasizes the vital contributions that can follow By providing specific illustrations of the two modes of leadership and the nature of hospitality and openness Academic Life presents a strong platform from which to build a rich and rewarding academic community

Academic Life John B. Bennett, 2008-04-01 In this profound look at the academy John Bennett reminds us that our leadership decisions always presuppose our philosophies of life and that understanding precedes practice How we understand the communities we lead informs the many practical judgments we make about directions to take structures to create processes to initiate and values to uphold Bennett argues that faculty may understand their departments or institutions in one of two ways as simply aggregations of individuals or as communities of intertwined persons From these views two different leadership values and positions emerge The first disposes us toward seeing academic conflict as inevitable and elevates heroic leadership styles where power is understood in terms of advancing one agenda over competitors The second underwrites leadership as supposing openness to others and emphasizes the vital contributions that can follow By providing specific illustrations of the two modes of leadership and the nature of hospitality and openness Academic Life presents a strong platform from which to build a rich and rewarding academic community Contents include The nature of insistent individualism Why the prevalence of insistent individualism Hospitality as an essential virtue Self others institutions and the common good Conversation as an essential metaphor The uses of conversation Community and covenant Engaged but not heroic leadership

*The Quest for Meaning and Wholeness: Spiritual and Religious Connections in the Lives of College Faculty* Jennifer A. Lindholm, 2013-12-24 An insightful scholarly resource for dialogue about the symbiotic relationship between the life of the mind and the life of the heart of faculty and what faculty can do to provide students an education that focuses on meaning and purpose Larry A Braskamp professor emeritus Loyola University Chicago Among the strengths of this book are Lindholm's solid research design and data analysis deft integration of quantitative and qualitative data in presentation of findings and interpretation and clear writing Dr Lindholm makes an important contribution both to higher education literature on faculty and to religious studies literature on this dimension of religion and spirituality in colleges and universities Michael D Waggoner professor

University of Northern Iowa editor Religion coauthor of Rethinking Faculty Work Higher Education's Strategic Imperative At last a book for faculty about faculty on an important but long neglected topic Jennifer Lindholm provides a cogent readable analysis of how faculty view spirituality and religion not only in their own lives but also their role in higher education Peter C Hill Rosemead School of Psychology Biola University

**Searching for Spirituality in Higher Education** Bruce W. Speck, Sherry Lee Hoppe, 2007 Searching for Spirituality in Higher Education brings together eclectic points of view on spirituality drawing upon various theoretical perspectives to frame a discussion of spirituality in higher education Following a comprehensive review of the current literature on spirituality chapters examine the relationship between religion and spirituality and explore related legal issues Subsequent theory chapters make no unified claims about the basis of spirituality reflecting the speculative nature of an ethereal subject The final section contains rich examples that explore ways to integrate spirituality in several academic disciplines as well as in student affairs In its entirety the book encompasses a comprehensive review of the salient issues related to spirituality in higher education The volume will be useful in courses on religion nursing business and the humanities

**Spirituality, Education & Society** Njoki N. Wane, Energy L. Manyimo, Eric J. Ritskes, 2011-10-29 Spirituality education and society An integrated approach argues the value of spirituality in education as a way to address the lived experiences and personal knowledge of students with the goal of creating a more holistic transformative educational process This edited volume has a wide array of viewpoints which all point to the importance of spirituality in the authors' personal lives their communities and society at large Spirituality is conceptualised as a base from which to challenge dominant forms of knowing while in the process being able to center and engage with an important aspect of the student that has been missing from current evaluations their spiritual selves Within the diversity of this volume it becomes evident that spirituality cannot be confined to a singular definition and that educators must be willing to create spaces to foster spiritual growth and exploration if we are to break away from the commoditized disempowering system that is so dominant today This edited collection is a valuable resource for students practitioners educators and administrators who wish to engage in transformational schooling Its multidisciplinary approach engages ideas around critical pedagogy sociology of education and inclusive schooling There is an increasing need for exploring novel paradigms of studying education in the context of the dynamics that straddle social economic and technological processes that have come to characterize the world in recent years This book is a timely contribution in this respect as its focus transcends hitherto applied approaches that depend largely on western orientation The book breaks new grounds in studying education and society that find significant relevance in societies that are marginalized by the dominant western understanding The authors draw from the rich heritage of spirituality that is akin to the non western social paradigms to develop a rigorous but creative concept of schooling I am sure practitioners researchers and students of education will find it a valuable source of practical and theoretical information that would widen their horizon of understanding of sociology of education Tom Mongare Ndege

PhD Moi University Kenya The editors have compiled a brilliant collection of essays Each piece of scholarly work shows how spirituality is a paramount part of our everyday lives and is connected to teaching learning living and healing This is a timely and most relevant work that is sure to spur critical dialogue and discussion This collection shows that while the spirit may be wounded it can never be broken Erica Neeganagwedgin PhD University of Toronto      **A Jesuit Education Reader** George W. Traub,2008 A Jesuit Education Reader is a collection of the best writing on the mission challenge and state of Jesuit education This anthology will prove especially valuable to those who work in Jesuit education and other Catholic and Christian schools      *The ^AAmerican University in a Postsecular Age* Douglas Jacobsen,Rhonda Jacobsen,2008-02-27 Religion has made a comeback in American society and on university campuses How should higher education respond Contributors athers essays from prominent scholars and educators who unpack the key issues      **Navigating the Spiritual Dimension of Childhood** Helena Card,2025-09-30 Focusing on enhancing spiritual development this book guides educators in thoughtful pedagogy and practice to encourage and recognise young children s spirituality in everyday educational settings Young children s innate spirituality is an integral part of their everyday lives as well as their personal growth and development This book draws on the Reggio Emilia approach to develop an environment that will nurture the spiritual expression of children Based on qualitative research the book presents children s expression of spirituality through flow creativity imagination caring or empathy towards another attraction to nature and natural phenomena joy wonder and awe curiosity and engagement It guides the reader in creating environments in which children explore discover and play and where spiritual expression can manifest and be nurtured Each chapter concludes with a variety of practical suggestions to support the reader in noticing and nurturing spirituality in children Drawing on interdisciplinary research and perspectives this accessible book is written for pre service and in service educators alike offering an inspiring way to recontextualise childhood and design pedagogy      **Fostering Student Success in the Campus Community** Gary L. Kramer,2007-11-09 This is an examination of the key issues not only on addressing changing student demographics and needs but also on aligning institutional and student expectations connecting student oriented services systemically and creating and delivering services for students to achieve success on campus      Academic Leadership Deryl R. Leaming,2007 As the responsibilities entailed in being a department chairperson are ever evolving those who occupy the position must continually adapt and build upon their skills in order to meet new challenges and expectations In the first edition of Academic Leadership Deryl R Leaming helped thousands of chairpersons navigate changes in higher education and effectively lead their departments While maintaining its focus on practical application this new edition has been significantly revised and expanded to address new aspects of the role of department chairs Now organized into six parts the second edition contains best practices and ideas from some of today s leading scholars It also incorporates information on emerging challenges and expectations for department chairpersons including Developing a departmental vision Working with constituents Retaining students Conflict

*Directions for Adult and Continuing Education* ,2006 **Rights and Wrongs in the College Classroom** Jordy Rocheleau,Bruce W. Speck,2007-01-25 The ethics of the teaching profession have been given little systematic analysis than those of other professions While the ethics of medicine business and journalism receive more instruction and attention and are widely analyzed and debated there is a shortage of literature and examination of the ethics of higher education particularly in the classroom What is considered fair evaluation How does one respond to an offensive student When may faculty date a former student Written for faculty throughout higher education this book puts forth a set of principles for college teaching and concludes with practical analyses of the ethical dilemmas facing professors in the classroom today Topic by topic this book covers Academic ethics sources principles and responses to objections Teaching advocacy and indoctrination Conflicts of interest The ethics of classroom grading Offensive speech and behavior Faculty student relationships Rights and Wrongs in the College Classroom develops an ethic that integrates concerns for student rights social goals and academic freedom and helps faculty to understand what values are at stake and how to make better decisions when confronted with moral dilemmas There is a need for both institutional and faculty support of such a code of ethics whose cultivation and observance has intrinsic rewards for faculty as individuals and professionals *Seattle Journal for Social Justice* ,2005 *Teaching for Change: Fostering Transformative Learning in the Classroom* Edward W. Taylor,Edward

Woodbury Taylor,2006-03-13 This volume aims to give teachers and scholars a greater understanding of the challenges associated with the practice of fostering transformative learning along with providing a recognition of the complexity of practice beyond the application of strategies and techniques Teaching for Change will encourage and motivate practitioners to take more risks in the classroom pushing the limits of what is presently known about transformative education Fostering transformative learning is about teaching for change It requires intentional action a willingness to take personal risk a genuine concern for the learners betterment and the wherewithal to draw on a variety of methods and techniques that help create a classroom environment that encourages and supports personal growth To become effective at fostering transformative learning it is helpful to look through the lens of those who have been engaged in the practice The contributing authors to this volume are seasoned practitioners and scholars who have introduced innovations that enhance the practice of

fostering transformative learning and have asked ethical questions that need to be explored and reflected upon when practicing transformative learning in the classroom This volume provides a tutorial and analysis of teaching for change by showing how these seasoned practitioners and scholars grapple with the fundamental issues associated with the subject Teaching for Change is the 109th issue of the quarterly higher education report New Directions for Adult and Continuing Education published by Jossey Bass

In View of Academic Careers and Career-Making Scholars Victor N. Shaw, 2008-02-15 This volume explores the connection between career making and the social context focusing on how academic institutions and society can enhance productivity and performance It covers career pathways processes and structures offering insights into educational preparation job search networking and maintaining academic identity

**Putting Students First** Larry A. Braskamp, Lois Calian Trautvetter, Kelly Anne Ward, 2006 Braskamp emeritus education Loyola U Chicago along with colleagues at Northwestern and Washington State discuss their study of how ten diverse church related colleges and universities of some 900 prepare their students for life beyond the campus Through a 4C framework based on personal investment theory culture curriculum co curriculum connecting in class and out of class experiences and community they examine the career training intellectual moral and spiritual contexts in which this mission is pursued Questions are posed about how campuses can support holistic student development

Coming to Critical Engagement Frank A. Fear, Cheryl L. Rosaen, Richard J. Bawden, Pennie G. Foster-Fishman, 2006-05-16 Engagement is the label increasingly embraced by higher education to describe activities associated with serving the public interest What had been viewed previously as service to extension of and outreach from is now engagement with as faculty members students and staff collaborate with partners in community affairs This book describes how members of a faculty learning community have come to understand engagement as both intellectual endeavor and scholarly practice at the interface between academy and citizenry Coming to Critical Engagement argues that the academy has a moral imperative to participate deliberately and consistently in democratic and systemic discourse with the public

The Essential Department Chair Jeffrey L. Buller, 2006-03-15 There are many guides for academic administrators that explore differing philosophies of administration theoretical approaches to management and leadership and new trends in higher education administration Books such as these can inspire department chairs to develop a major new vision for their discipline or even their entire institution But in order to make that vision a reality chairs must know how to excel at the many administrative tasks assigned to them For instance how do you cultivate a potential donor for much needed departmental resources How do you interview someone when your dean assigns you to a committee searching for an administrator in a different academic area How do you fire someone How do you get your department members to work together more harmoniously How do you keep the people who report to you motivated and capable of seeing the big picture This book is about the how of academic administration Based on a series of workshops given by the author in the area of faculty and administrative development each topic deals concisely with the most important information chairs will want to

have at their fingertips when faced with a particular challenge or opportunity Intended to be a ready reference that chairs turn to as needed this book emphasizes proven solutions over untested theories and stresses what chairs need to know now in order to be most successful in their administrative positions      *Encyclopedia of Information Ethics and Security* Marian Quigley, 2008 Rapid technological advancement has given rise to new ethical dilemmas and security threats while the development of appropriate ethical codes and security measures fail to keep pace which makes the education of computer users and professionals crucial The Encyclopedia of Information Ethics and Security is an original comprehensive reference source on ethical and security issues relating to the latest technologies Covering a wide range of themes this valuable reference tool includes topics such as computer crime information warfare privacy surveillance intellectual property and education This encyclopedia is a useful tool for students academics and professionals      *Academic Ethics* Robin Barrow, Patrick Keeney, 2006 This collection of papers focuses on issues in academic ethics and moves from consideration of the very idea of a university and what that entails via attempts to locate the major current concerns to particular issues relating to the University's relations with the corporate world the professor's role relations between student and teacher credentialling the demands of collegiality and plagiarism
