Accessing The Eye Of Wisdom A Practical Guide To Ultimate Reality:

Accessing the Eye of Wisdom Yama Moonbow, 2004-11-01 This book is not a summation of knowledge comprehended from thousands of books or decades of monastic ascetic living. It has been written from that place of intuition and inspiration which exists inside of everyone and which can only be experienced directly. The mission of this book is to assist one in having that experience. Whereas many books are open ended and leave room for a sequel this one does not. Although the book is relatively short in pages every word is powerful and the reader will not go away hungry after digesting the contents.
