Ernest Grey Sandford,1906    A MEMOIR ON THE INDIAN SURVEYS CHARLES E.D. BLACK,2023-08-15 This work was suggested by Mr Clements R Markham s Memoir on the Indian Surveys in which the geographical and other kindred operations carried out in India from the date of the British occupation were reviewed in a most picturesque and masterly manner In 1878 a second edition of Mr Markham s work was published in which the narrative was brought up to 1875 and in some cases for a year or so later For the last fifteen years I have been accumulating notes in moments of leisure with a view to the publication of a volume which might serve as a continuation to that by Mr Markham and the kind support given to the project by the Secretary of State for India and the Viceroy has now enabled me to present the work in a more or less complete shape From unavoidable circumstances the arrangement of matter is not identical with that adopted by Mr Markham but I believe I have conformed to it sufficiently to make reference easy and wherever the source of information is not specially mentioned it may be assumed that it will be found in the official Annual Report for the particular year    *The Memoirs of Philip de Commynes, Lord of Argenton: Containing the Histories of Louis XI. and Charles VIII.
