**From Canonical Criticism to Ecumenical Exegesis?** Peter-Ben Smit, 2015-07-14 This study explores and compares  
the role of the canon in the work of Brevard S Childs James A Sanders Peter Stuhlmacher Joseph Ratzinger Benedict XVI and  
the Amsterdam School of exegesis thus offering a broad overview of approaches and perspectives within the spectrum  
covered by canonical criticism In doing so both the theory of canonical criticism offered by each of the five is analysed and a  
sample of an actual exegesis is discussed Observing that the interplay between text reader and community of interpretation  
is key to all of these approaches the study proceeds to create a dialogue between canonical criticism and ecumenical  
hermeneutics which leads to a proposal for an approach to exegesis that integrates elements of canonical hermeneutics
