This book effectively translates author John Green's YouTube video sensation of World History II Crash Courses into guided question worksheets. Students follow along with John Green's online Crash Courses and reflect upon events inside of world history using this interactive guiding question workbook. Common Core World History standards are followed in all questions asked, helping students tap into level 3 and 4 DOK (Depth of Knowledge) thinking skills surrounding events that have occurred throughout world history. Any student of world history wishing to pass both a high school AP world history class or a college level world history course would find this workbook useful. Crash Course World History II differs from Crash Course World History I as it focuses on the thematic relationship between events in world history throughout time. This book can be used in concordance with both high school and college world history classes in order to improve test scores, content understanding, and essay structure in writing.
