Accidentally Engaged:

Accidentally Engaged Mary Carter, 2015-05-26 I m just the messenger Please don t kill me Don t hate me because I m psychic everybody else already does My name s Clair Ivers and these days my gift seems more like a booby prize It all started when this crazy woman tried to bribe me into skewing a reading to warm her future sister in law s cold feet Then the prospective sister in law threatened to kill herself at the altar if I didn t give her a phony reading saying she should break off the engagement Oh and did I mention she ran out leaving her three carat rock of a ring right there on my table So what s an honest woman to do Find the man who belongs to the ring of course And boy have I found him The minute I lay eyes on Jack Heron I know he s the one for me that is The problem is making him realize it once he finds out that I may be responsible for the flight of his fianc e At least his grandmother likes me Of course she thinks I m someone else And then there s the best man who keeps calling me for dates and stock tips Between the people who think I m someone else the people who wish I were and the people who just want a bead on the winning Powerball numbers I m seriously considering packing in my deck for good But not until I throw caution to the wind and make a play for my very own Jack of Hearts
