[Children's Literature Aligned with SDGs to Promote Global Competencies](#) Angela K. Salmon, Aixa Pérez-Prado, Karin Morrison, Flavia Iuspa, 2024-05-23 This book presents children's literature as a platform for learning and helping young readers develop the knowledge skills and attitudes needed to thrive in an interconnected and diverse global society It draws from various theoretical frameworks and research findings to implement critical literacy and culturally responsive teaching in the meaning making process The book focuses on global competencies and Sustainable Development Goals SDGs as intertwined concepts that work together to foster a more sustainable inclusive and equitable world Developing global competencies empowers children and communities to actively participate in achieving the SDGs and addressing the pressing challenges of our time The authors set high expectations on children as actors in transforming society To facilitate this the book offers an overview of child development theories as a foundation for designing developmentally appropriate practices to extend children's books toward deep thinking and understanding The book includes sample lessons that use cutting edge research based pedagogies and tools such as visible thinking routines and other approaches Those lessons also help readers identify the Habits of Mind HOM children can develop by listening to and discussing stories The HOM are attributes of good problem finders and problem solvers needed when confronting complex issues The book provides resources and sample lessons that implement different thinking strategies to engage children in questioning and analyzing what they read making them more critical This is how children deeply understand the world and their role in creating positive change The book aims to cultivate change makers and global citizens through stories It offers innovative approaches including online learning options in accessible and engaging ways to help children think globally and act locally Through the power of children's literature this book serves a larger agenda To build a more thoughtful world for future generations By caring for and learning from one another through suggested activities in this book they will share the riches and resources from across the world As children learn about the promise of actions toward the UN Sustainable Goals they can imagine living in an interdependent learning community where all people

continually searching for ways to trust each other learn together and grow toward greater intelligence Arthur Costa and Bena Kallick Co Founders and Directors of The Institute for Habits of Mind Handbook of Cultural Studies and Education Peter Pericles Trifonas, Susan Jagger, 2018-11-15 The Handbook of Cultural Studies in Education brings together interdisciplinary voices to ask critical questions about the meanings of diverse forms of cultural studies and the ways in which it can enrich both education scholarship and practice Examining multiple forms mechanisms and actors of resistance in cultural studies it seeks to bridge the gap between theory and practice by examining the theme of resistance in multiple fields and contested spaces from a holistic multi dimensional perspective converging insights from leading scholars practitioners and community activists Particular focus is paid to the practical role and impact of these converging fields in challenging rupturing subverting and changing the dominant socio economic political and cultural forces that work to maintain injustice and inequity in various educational contexts With contributions from international scholars this handbook serves as a key transdisciplinary resource for scholars and students interested in how and in what forms Cultural Studies can be applied to education *Knowing Their Place? Identity and Space in Children's Literature* Terri Doughty, Dawn Thompson, 2011-12-14 Traditionally in the West children were expected to know their place but what does this comprise in a contemporary globalized world Does it mean to continue to accept subordination to those larger and more powerful Does it mean to espouse unthinkingly a notion of national identity Or is it about gaining an awareness of the ways in which identity is derived from a sense of place Where individuals are situated matters as much if not more than it ever has In children s literature the physical places and psychological spaces inhabited by children and young adults are also key elements in the developing identity formation of characters and through engagement of readers too The contributors to this collection map a broad range of historical and present day workings of this process exploring indigeneity and place tracing the intertwining of place and identity in diasporic literature analyzing the relationship of the child to the natural world and studying the role of fantastic spaces in children s construction of the self They address fresh topics and texts ranging from the indigenization of the Gothic by Canadian mixed blood Anishinabe writer Drew Hayden Taylor to the lesser known children s books of George Mackay Brown to eco feminist analysis of contemporary verse novels The essays on more canonical texts such as Peter Pan and the Harry Potter series provide new angles from which to revision them Readers of this collection will gain understanding of the complex interactions of place space and identity in children s literature Essays in this book will appeal to those interested in Children s Literature Aboriginal Studies Environmentalism and literature and Fantasy literature

Promises, Promises Anthony Hyde, 1997 A Promise Is a Promise Robert Munsch, 2001-10 **What's the Right Thing to Do?** Selma Wassermann, 2019-05-24 Making choices is one of the more pervasive acts of life Almost every action we take demands that choices be made Knowing how to choose wisely to choose after reflection to be aware of what motivates that choice to see the consequences of that choice on others enables us to live healthier more productive and more

responsible lives We now live in a world in which our traditional moral exemplars have been less than honorable in their public behavior With fewer heroes and flawed role models how are children to come to an understanding of what's right what's good decent and socially responsible Do as I say not as I do is hardly a viable tenet to guide children's choices This book offers important tools for carrying out effective strategies that build caring environments in the classroom and home for teaching children to weigh decisions in the face of potential consequences examine rationales for their choices and study the effects of their choices on others i e to think more carefully about ethical problems in the presence of the moral freedom to determine for themselves what it means to lead a good and virtuous life Canadian Children's Literature ,1997

Canadian Children's Books Raymond E. Jones, Jon C. Stott, 2000 This book provides teachers librarians and other educators parents and relatives and students with a comprehensive and detailed examination of Canadian children's books Each of the 133 entries on authors and illustrators presents factual and critical information along multiple dimensions In addition to authors and illustrators of historical and contemporary importance in the English mainstream creators of ethnic Aboriginal and French Canadian origin also are included There are representatives of regions the North the East the West and the rest between and of all genres retold folktales and myths mystery science fiction fantasy sports wilderness adventure animal epic chapter books picture books poetry stories for reluctant readers Appendices list the winners of the major English Canadian children's book awards and sources for further reading *Children's Software Review* ,1993 **Canadian Books in Print. Author and Title Index** ,1975 Major Authors and Illustrators for Children and Young Adults Laurie Collier, Joyce Nakamura, 1993 Contains updated and revised sketches on nearly 800 of the most widely read authors and illustrators appearing in Gale's Something about the author series **Flirting with Universalism, 2nd Edition** Dennis Jensen, 2024-07-16 It's likely the most difficult problem in the Christian faith It was a major reason that Bertrand Russell John Stuart Mill and countless others rejected Christianity It was an ax that began to chip away at Charles Darwin's early faith How could he accept that some of his closest relatives and loved ones would be spending an eternity in agonizing torment Yet the Christian doctrine of an everlasting hell of unmitigated pain turns out to be completely unwarranted biblically A close examination of the Bible demonstrates this but it also rejects any form of universalism that trivializes personal obligations to God The first edition of *Flirting with Universalism* looked at the biblical and philosophical evidence behind the various Christian views of the afterlife of those who reject their God universalism eternalism or traditionalism and annihilationism The second edition covers additional important arguments It concludes by taking a position between universalism and traditionalism God will forever honor the final choices of those who reject God and yet in the end all things will be reconciled to God The Bible affirms the goodness justice and love of God Children's Literature Review Cumulative Title Index 2006 ,2006-04 **CM** ,1991 *Who's who in Canadian Literature* ,1997 The Horn Book Guide to Children's and Young Adult Books ,2001 **Something about the Author** Kevin S.
