Bernard Shaw,1919 **The Politics and Plays of Bernard Shaw** Judith Evans,2002-12-31 Do politics and the playhouse go together? For Bernard Shaw they most certainly did. As a playwright with a message, he saw the theatre as the ideal medium for conveying his view of life, which was essentially socialistic. The theatre was to Shaw a latter-day temple of the arts within a community. But Shaw was of course multi-voiced: not only through the characters he created but also in his own persona as public speaker, essayist, tract writer and author of works on political economy. Much of the thinking that is expressed in his non-dramatic works is contained also in his plays. This work offers a readily accessible means of looking at the nature and the progression of Shaw's thinking. All the plays included in the major canon are reviewed and, except for brief plays and playlets which are grouped, they are presented in sequential order.

Augustus Does His Bit A True To Life Farce By George Bernard Shaw Augustus Does His Bit A True to Life Farce 1916 is a comic one act play by George Bernard Shaw about a dim witted aristocrat who is outwitted by a female spy during World War I I wish to express my gratitude for certain good offices which Augustus secured for me in January 1917 I had been invited to visit the theatre of war in Flanders by the Commander in Chief an invitation which was under the circumstances a summons to duty Thus I had occasion to spend some days in procuring the necessary passport and other official facilities for my journey It happened just then that the Stage Society gave a performance of this little play It opened the heart of every official to me I have always been treated with distinguished consideration in my contracts with bureaucracy during the war but on this occasion I found myself persona grata in the highest degree There was only one word when the formalities were disposed of and that was We are up against Augustus all day The showing up of Augustus scandalized one or two innocent and patriotic critics who regarded the prowess of the British army as inextricably bound up with Highcastle prestige But our Government departments knew better their problem was how to win the war with Augustus on their backs well meaning brave patriotic but obstructively fussy self important imbecile and disastrous Save for the satisfaction of being able to laugh at Augustus in the theatre nothing as far as I know came of my dramatic reduction of him to absurdity Generals admirals Prime Ministers and Controllers not to mention Emperors Kaisers and Tsars were scrapped remorselessly at home and abroad for their sins or services as the case might be But Augustus stood like the Eddystone in a storm and stands so to this day He gave us his word that he was indispensable and we took it
