Bound Vol 2 Amy Lane:

Bound, Vol. 2 Amy Lane, 2015-12-22 Little Goddess Book Three Vol 2 Cory's newly bound family is starting to find its footing which is a good thing because danger after danger threatens and Green can't be there nearly as often as he's needed. As Cory learns to face the challenges of ruling the hill alone she's also juggling a ménage relationship with three lovers with mixed results. But with each new challenge one lesson becomes crystal clear she can't be queen without each of the men who look to her and the people she loves aren't safe unless she takes on that queendom with all of the intelligence and courage in her formidable heart. But sometimes even intelligence, courage, and steadily increasing magic aren't enough to do the job and suddenly the role of Cory's lovers becomes more crucial than ever. Nobody is strong enough to succeed in every task and Cory finds that the most painful lesson she and her lovers can learn is not just how to deal with failure. Cory needs to learn that one woman is only so powerful and she needs to choose wisely who sits outside her circle of family and who is bound eternally in her heart.

Sean's Sunshine Amy Lane, 2023-03-07 As a young detective Sean Kryzynski expected violence on the job, not to get stabbed coming back from lunch. Add an angsty bedside breakup and by the time he gets home from the hospital he's over everything including his irritating hot-as-balls nurse Billy No Last Name with the big cynical brown eyes. Billy's whole porn model flophouse is experiencing a wave of altruism and adulting, people getting real jobs and going to school and doing good works. Billy opts in too; he wants to be a good guy but his assignment is taking care of the world's most exasperating headstrong patient. At least bunking with Sean means Billy has his own spare bedroom and some peace and quiet to do classwork. The porn model and the policeman seem to have no common ground but Billy's experience herding his younger siblings helps him manage Sean with unexpected empathy, a skill Sean has been working on too because he wants to be a good cop. Eventually they chip away at the walls around each other's hearts and discover a real connection. If not for their incompatible day jobs and inconvenient pasts they might even be falling in love.

Riding Shotgun Amy Lane, 2024-10-22 Val Royal's tight family has always had his back but they love to interfere in his life. That interference almost sends him over the edge when they arrange for Rory McCauley, security specialist, marksman, and hound dog smartass to ride shotgun as security on his latest run. Hot, bossy, and sharp as a tack, Val ticks all Rory's boxes but Val's looking for something real and Rory's allergic to intimacy. Besides their gig running refrigerated bull semen from Bakersfield to Austin, could they make or break Val's buddy's ranch so Val's understandably pretty focused on the job. Rory still wishes Val would let him help Val uh relax. As Val and Rory work to keep their payload safe from a couple of determined saboteurs and they get to know each other as smart, competent, fearless professionals, sparks fly and Val starts to fall for Rory's roguish charm. But can he convince Rory their romance would be worth more than a straight shot to Austin that it would be a love worth coming home to.
