① INTRODUCTION

BRIEF BIOGRAPHY OF MORRIS GLEITZMAN

Gleitzman was born in Lincolnshire, England, but moved to Australia at the age of 16 where he worked as a paperboy, a fashion-designer assistant, and chef-stacker before earning a degree in Writing from Canberra College. Following his graduation, he began his career as a screenwriter contributing to the success of the award-winning *Nanook* Gordon Shaw, among others. After a decade in television, Gleitzman pivoted to writing screenplays for movies and plays before venturing into the world of children's literature. His debut novel, *The Other Face of Life* (1987), was originally written as a screenplay and many of his subsequent books, like *Two Weeks with the Queen*, *Badboy Mouth*, and *Milky Cuts*, have since been adapted for the stage. One of his most popular books, *Bombastic* (1998), is an international bestseller and continues to be one of Australia's favorite children's books, winning numerous awards. As a writer, he is known for his offbeat, humorous approach to various subjects, such as his treatment of the Afghanistan refugee crisis in *Boy Overboard* (2002) and the AIDS crisis in *Two Weeks with the Queen* (1998). More recently, he published his most recent book, *Always*, in 2021, a sequel to his multi-part series, *One, Now, Then, and After*. Gleitzman's work has led to the 2018-2019 Australian Children's Laureate, and he has authored more than 40 children's books to date. Beyond his literary pursuits, he is a frequent columnist in the Sydney *Morning Herald* and the *Melbourne Age* and has written his long-time partner Mary Anne Fahay with whom he shares two stepchildren.

HISTORICAL CONTEXT

While *Boy Overboard* is a work of fiction, its underlying narrative is heavily based on real historical events. The book aims to depict the experiences of Afghan refugees fleeing their home due to persecution, a decades-long phenomena that began in the 1970s and intensified during Afghanistan's civil wars of the 1990s. Following the U.S. invasion of Afghanistan in 2001, these events received widespread media attention, with news and media outlets providing constant coverage and commentary on fleeing refugees. Unfortunately, in the aftermath of the 9/11 terrorist attacks, Islamophobia and xenophobia often distributed such commentaries, with many of them falsely accusing the innocent refugees of having committed or terrorized bombings. Within this context, the plot and themes of *Boy Overboard* can be read as an attempt to challenge and reshape many of the false prevailing narratives about refugees. Like many of the real families fleeing

Afghanistan at the turn of the century, Jamal and his family are victims of persecution—first at the hands of the unnamed Taliban—who simply wish to live a free, happy life.

RELATED LITERARY WORKS

Boy Overboard belongs to a genre of children's novels aimed at depicting the unlikely faced by children in the real world. Here, as in other books, he uses a unique blend of humor and relatability to portray real problems in a way that children can easily process and/or inspired by. The themes of family, hope and resilience feature prominently in *Boy Overboard*, and are present in several of Gleitzman's other works. One such work is *Two Weeks with the Queen*, a novel which follows a young boy named Colin whose brother has been diagnosed with cancer. As Colin grapples with this information, he befriends and older boy, whose partner has AIDS, and the two of them help each other overcome their challenges. Another similar novel by Gleitzman is *Chop*, the first book in a four-part series which follows a young Jewish boy named Folly in World War II. Like *Boy Overboard*, this book is a fictionalized account of an experience faced by many real young people in WW2 and one which highlights the importance of resilience and hope. Beyond Gleitzman's own works, other books like *Boy Overboard* would be *The Breadwinner* by Ombria Elia, a novel which explores the difficulties faced by a young girl living under the Taliban, and *Refugee* by Alan Cross, a novel which follows three different young protagonists and their experiences as refugees in post-Germany 1990s Cuba and modern-day Syria. Together, these works highlight the incredible resilience that young people can have when faced by real-world problems, offering inspiration for young readers facing their own difficulties in life.

Re-visioning Historical Fiction for Young Readers Kim Wilson, 2011-06-15 This study is concerned with how readers are positioned to interpret the past in historical fiction for children and young adults Looking at literature published within the last thirty to forty years Wilson identifies and explores a prevalent trend for re-visioning and rewriting the past according

to modern social and political ideological assumptions Fiction within this genre while concerned with the past at the level of content is additionally concerned with present views of that historical past because of the future to which it is moving Specific areas of discussion include the identification of a new sub genre Living history fiction stories of Joan of Arc historical fiction featuring agentic females the very popular Scholastic Press historical journal series fictions of war and historical fiction featuring multicultural discourses Wilson observes specific traits in historical fiction written for children most notably how the notion of positive progress into the future is nuanced differently in this literature in which the concept of progress from the past is inextricably linked to the protagonist s potential for agency and the realization of subjectivity The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out This book engages in a discussion of the functionality of the past within the genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers
