swept down upon us and brought a cold rain that presently turned to sleet We hurried along the trail in single file with heads bent low to the storm and in the course of half an hour descended below the tree line and entered a scraggy growth of spruce Still it rained and we were facing the unpleasant prospect of pitching our pup tents on the wet ground when suddenly we rounded a ledge and came upon a log cabin half hidden in a dense growth of hemlocks One of the boys gave a shout and we all rushed forward The door was latched but opened readily when we pushed on the handle Inside we found one long room with bunks ranged along the log walls and a wide stone fireplace at the further end Two windows one in the middle of each long side gave sufficient light to reveal that the place was unoccupied and apparently had been in that condition for some

Cole,2015-08-05 Excerpt from First Aid for Boys A Manual for Boy Scouts and for Others Interested in Prompt Help for the Injured and the Sick We have written this book especially for boys but that has not prevented us from trying to make it of service to everyone who is interested in doing the right thing for himself or for someone else in that tense moment when injury or sudden sickness brings confusion and pain In the first chapters we have considered the emergencies that are most dangerous to life such as shock bleeding sunstroke and heat exhaustion The method of grouping them in two classes makes it easy for you to read symptoms and to tell without loss of precious moments what is the matter with the person who needs your aid and what you should do for his comfort and safety From those most important emergencies the book goes on to consider accidents that through neglect may have serious consequences Understanding of these depends to no small degree on thorough knowledge of more dangerous emergencies therefore they find their logical place in the second part of the book In the last chapters we consider the everyday accidents which often enough are painful but which though they need careful attention are not sufficiently serious to touch life itself About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Boys' Life** ,1921-03 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting      *Boys' Life* ,1959-02 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting      *The Official Handbook for Boys* Boy Scouts of America,1920      **Creativity 37** David E.
