handwriting analysis This comprehensive volume explores the intricate ways our written words reveal hidden dimensions of personality emotion and cognition Comprised of selected monographs authored by some of the best recognized names in the field of contemporary handwriting analysis the internationally recognized authors include June Canoles SND Jeanette Farmer Renate Griffiths Terry Henley Sheila Lowe Roger Rubin Shirl Solomon *Graphology* Julian Moore, Is it possible to know all about someone just by looking at their handwriting Imagine you could ask anyone to write down two simple words yet you could start telling them what they're like from their handwriting almost immediately even complete strangers You must admit that would be cool How could you know so much with so little information Well with the graphology system outlined in this new graphology book designed to be learned in few days you can be giving interesting yet fun handwriting readings in no time at all Here are some points to consider Can be learned over a weekend Requires only two words to be written down Can be done for two or more people at the same time A great ice breaker or conversation starter Once you've learned it it's almost impossible to forget Oh and did we mention the FREE AUDIOBOOK We almost forgot not only do you get the book packed with examples exercises and top tips to make learning graphology as painless as possible you also get the 13 part audiobook thrown in as well FLASH CARDS With the book and audiobook you also get a set of 10 flash cards Print them off onto index cards and stick them in your back pocket so you can have an instant refresher moment while you're still learning the system No need for last minutes nerves a quick look at your flash cards and you can top up your new found knowledge in a jiffy Powerful stuff Seriously knowing this information is powerful everyone is interested in themselves and by using the fun techniques in this unique book you'll find that sometimes you simply haven't got the time to check out everybody's handwriting REVIEWS I really enjoyed reading your new book and would heartily recommend it It is a great way to learn the art without spending hours ploughing through the many books out there on the subject Richard Osterlind Julian is a wonderful teacher I've tried learning enough about graphology before to use as an adjunct to my mentalism performances but it never stuck And I quickly became bored With Julian's system once the info is in your head it isn't easily leaving And I found the whole process fun Julian has set this up in a way that you get constant reinforcement for your efforts and just want to keep going Bill Cushman I have finished Julian's book on Graphology and highly recommend it Julian has condensed a large amount of information on graphology into an easily memorized system and provided a presentation that is short sweet and can be done on the back of a business card I like to explain how I am getting my information as I am doing the reading and Julian's system is perfectly suited for this In fact it is so simple to explain that your subject will likely go away believing they have learned something valuable even in the unlikely event that most of your reading doesn't hit the mark so you really cannot lose Anyone that is interested in Graphology should definitely pick up this book John Lumber As a long time graphologist I've perused Julian's manuscript and can attest that it is exactly as described He's taken some of the real meat of the subject and found a way to explain it clearly and simply AND to do it in a wicked clever mnemonic sort of structure

that makes it quite easy to remember And therefore easy to explain to others He s done a lot of hard mental work so that you won t have to Well worth the price tag for those who wish to use it Brane OTHER KINDLE BOOKS IN THE SPEED LEARNING SERIES BY JULIAN MOORE Speed Learning Graphology The Art Of Handwriting Analysis Speed Learning Cartomancy A Playing Card Reading Primer Speed Learning Palmistry Palm Readings In Your Own Words Speed Learning Numerology Numbers Past And Present With The Lo Shu Square Speed Learning Star Signs **Handwriting Analysis** Karen Kristin Amend,Mary Stanbury Ruiz,2000-06-19 Learn the many ways handwriting can reveal personality traits in this comprehensive introduction to graphology In Handwriting Analysis graphology expert Karen Kristin Amend offers a fresh approach to the principles of graphology Covering all aspects of handwriting from size and spacing to pace and form quality this book is designed to help readers learn the skills of whole person profiling Amend demonstrates how to determine various personality traits ranging from mood to moral character self confidence and emotional needs She also shows how to detect emotional disturbance or mental illness With new material for understanding the significance of the writing rhythm this volume also provides handwriting samples of famous people **Graphology** Ruth Gardner,1991-12 Learn to interpret the messages in your handwriting and open to a new dimension in self understanding with The Truth About Graphology by Ruth Gardner Your handwriting consists of unusual configurations that can be decoded The Truth About Graphology explains how to translate these tell tale signs for accurate information about anyone s personality You can determine the physical condition of your Uncle Bill by examining his baseline slants Or measure your child s vitality by the pressure she uses Will you work well with that new employee Look at her letter spacing Distinguish a moody person from one with an even temper from their handwriting alone With The Truth About Graphology you ll Learn instant handwriting analysis in less than two hours Recognize the personal traits revealed in your handwriting Awaken to personality characteristics you previously ignored Recognize areas of budding potential Gain keen insight into others actions Design a signature that reflects your self image Practice your handwriting analysis skill at work and social events Uncover hidden personality traits Use the tell tale signs in anyone s handwriting for an accurate assessment of their character Learn to use graphology for professional gain and entertainment The Truth About Graphology is filled with illustrations that will finally make handwriting analysis easy for you to learn and practice You ll learn through examples and clear explanations the meanings of the different letter slants zones spacing loops and more Once you learn handwriting analysis people will be asking you to tell them about themselves what are their hidden potentials abilities and even fears Here is a system that requires nothing more than a piece of paper and a pen a technique that can be done anywhere To find out more you must get The Truth About Graphology
