seem really nice What isn't nice though is that I signed up to babysit the memory wiped female guardian who recently tried to kill me What was I thinking Oh right I wasn't But the worst thing is that my traitorous boss Colonel Benjamin Benson hired my ex husband Ya know what I think I'm about to become Ben's worst employee 40 Ways to Catch a Bad Guy is a funny adventurous paranormal women's fiction tale from USA Today Bestselling Author Donna McDonald *Shades Of Darcone* Donna McDonald, 2017-09-20 Trouble she was Big trouble HIS trouble New Earth humans call him Alien but it is they who are strange His fierce appearance and stilted speech ensure no human bride will choose him Such things only matter if you care and for now Darcone does not On his planet he is revered as a mighty warrior On Earth he meekly serves as an Admiral's guard Why does he stay on this nearly hostile planet Because answering to humans is still preferable to obeying the wishes of his family to mate with a woman he does not want Humans and their drama he wants no part of it No That is a lie He wants her at any cost He's always wanted Bri But a good bride the woman is not Fierce Commander Bri is and noble but still a female The idea of her ever being in danger makes him growl in fury fueled by emotions he's never felt before Caring points only to one truth a truth Darcone wishes with all his oversized heart to deny Has he really been waiting two hundred years to make Brianna McNamara his Topics donna mcdonald books paranormal romance science fiction romance romantic fantasy humorous fantasy action and adventure alien contact urban fantasy contemporary fantasy panther shifters cat shifters good versus evil shifter romance women's fiction contemporary women's fiction paranormal women's fiction paranormal adventures humorous science fiction humorous sci fi sci fi syfy spoof satire **Kingston 691** Donna McDonald, 2015-01-25 Kingston 691 is the second book in this futuristic Science Fiction and Fantasy series from USA Today Bestselling Author Donna McDonald Norton took his wife and his memories of her away Now King wants them back Kingston West put his military service behind him much easier than most of the soldiers he served with during the final world war As far as he's concerned the cyborg named Kingston 691 no longer exists And the Cyber Husband program He views that part of his past like he views having been a prisoner of war Both are just service related memories he doesn't plan on recalling ever again His cybernetic restoration gave him a much better future That's all King needs At least he felt that way until he discovered one wife's file had been totally erased from his Cyber Husband records Only her name remains in his data storage even though her family swears they'd had a loving relationship How can he even begin to believe such a thing King refuses to care about any of the women who bought him over the years However to put his mysterious past completely behind him he needs to find the missing Seetha Harrington and hear her side of their story Before he can enjoy his new beginning King needs to find out why Norton took away those seven years they had together from both of them ABOUT THIS SERIES Set in the future this science fiction action and adventure series explores military boundaries in a tale of created cyborgs and genetic engineering It contains strong romance elements for paranormal science fiction and urban fantasy romance fans

*30 Ways to Fool an Angel* Donna McDonald, 2025-07-03 How can I protect the ring when I can't protect myself My mother

says the second of King Solomon's rings is my inheritance and that my purpose in life is to be its protector. My mother's father Grandpa O Malley did the job before me. Evidently the ring hung around after Grandpa died because it was waiting for me to grow up. Well, I wasn't up quite enough yet, not the way they all expected. What magick did I have? None. Or that's what I believed. Having no power was precisely why Mom sent me to Ireland to stay with my Gigi when her work got dangerous. I haven't been able to tell Mom that the ring's angel overseer tracked me down on the plane. Or that he denied he even was an angel like that wasn't obvious. He makes condescending comments and whines that it will take decades for him to train me. The last thing I needed was yet another person telling me I was too young, too powerless, and too much trouble. I guess I'll just have to show him how wrong he is about me. I'll have to show them all.

**30 Ways to Fool an Angel** is a funny, adventurous paranormal women's fiction tale from USA Today Bestselling Author Donna McDonald.

**Midlife Muse** Donna McDonald, 2021-08-23

**Midlife Muse** is a paranormal women's fiction and fantasy novel and an action and adventure tale from USA Today Bestselling Author Donna McDonald. I may look like a 40-year-old woman, but inside I'm a goddess. My name is Goddess Atlanta. Haven't you heard of me? No. Bet you've heard of my twin sister Athena, the Goddess of War. Sure, everyone's heard of her. Shunned by my birth family, I grew up with the Muses as sisters and friends. Being a Muse sucked, though, and I failed at inspiring others. What can I say? Being a warrior is the song that sings in my blood. Just hand me a sword and move back while I call down lightning. Be careful, though, because my aim's not what it used to be. Becoming a 40-year-old and mostly mortal woman has taken a toll, especially on my knees. Because of my father, my entire pantheon is also mortal, and dying, I have to find a worthy champion to help me save us all. Failure is not an option, no matter how old or mortal I get. My name is Atlanta, Goddess of the Doomsday Prophecy. And this is my Mortal Midlife Story.

**AUTHOR NOTE:** This new story is both paranormal and fantasy. Think Trolls, Pegasi, and Dragons, and women's fiction. Think issues of aging, Romantic elements are also included. This is the first book in my new series, which has its roots in Greek mythology. You can count on the good guys winning some of their battles, but that's the only promise I can make. As with all my work, there will be lots of laughs along the way.

### **Brandi Nano Wolves Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Brandi Nano Wolves has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Brandi Nano Wolves has opened up a world of possibilities. Downloading Brandi Nano Wolves provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Brandi Nano Wolves has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Brandi Nano Wolves . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Brandi Nano Wolves . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Brandi Nano Wolves , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Brandi Nano Wolves has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
